

Request for Letters of Interest
Route 100 J-Turns Project
City of Wildwood, Missouri
MoDOT Project #: SL0091

Dear Consultant:

The City of Wildwood is requesting the services of a consulting engineering firm to perform professional services for the Route 100 J-Turns Project. If your firm would like to be considered for these consulting services, please submit a Letter of Interest to the City of Wildwood in accordance with the following requirements:

It is required that your firm's general Statement of Qualification (RSMo 8.285 through 8.291) be submitted with your Letter of Interest, or already be on file with the City of Wildwood. The Statement of Qualifications is not included in the total page count limit for the Letter of Interest. DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit a Letter of Interest as a prime consultant. Finally, it is required that your firm be prequalified with MoDOT and listed in MoDOT's Approved Consultant Prequalification List, or your submittal will be considered non-responsive.

The anticipated project schedule is shown in the table below. To ensure this schedule can be met, consultants are required to submit an initial fee proposal within two (2) weeks of the scoping meeting with subsequent revisions due within one (1) week of receiving comments from the City and/or MoDOT. Firms unable to meet these deadlines should not submit a Letter of Interest.
