

**Missouri Route 6 Bridge Built in 1953**

**U.S. Route 136 Bridge Built in 1958**

### **Missouri Route 6 in Adair County**

**MoDOT will replace the Chariton River Bridge on Missouri Route 6 near Novinger in Adair County.**

**MO Route 6 will need to be closed two separate times during construction.**

- **A 28-day closure will be needed to tie-in the new road to the existing Route 6 road.**

- **A 5-day closure will be needed to place complete the deck on the new bridge.**

**The contractor will not be allowed to close the Route 6 and US Route 136 bridges at the same time.**

**Welcome to E-updates and Text Alerts**

**Stay informed on road closures, events, and more through MoDOT's e-update text/ email alert system.**

### **U.S. Route 136 Schuyler County**

**The abandoned Norfolk Southern railroad bridge on Route 136, 1.2 miles west of Route 63 in Schuyler County will be removed.**

**This project is in combination with the bridge replacement near Novinger on Route 6. U.S. Route 136 will be closed 40 days to remove the old bridge and construct new embankment and pavement in the same location.**
