Proposed Intersection Improvements  
Public Meeting  
December 1, 2022

## Frequently Asked Questions

### **What is the purpose of the meeting?**

The purpose of the public meeting is to provide information on proposed improvements to US Route 54 and Missouri Route OO in Holts Summit. A roundabout will be built at the Eastbound Ramp intersection with Route OO as well as widening at the Westbound Ramp intersection with Route OO.

### **Why is this work necessary?**

The project is necessary to address traffic congestion and safety concerns at the US Route 54 interchange ramp intersections with Missouri Route OO.

### **How will traffic be affected?**

All roadways will be open during construction of the widening at the WB54 Ramp intersection. During construction of the roundabout at the EB54 Ramp intersection, Route OO and EB54 Ramps will be closed at the intersection for up to one month. Signs will alert motorists of the closed road and the detour route will be signed during construction.

### **When will the work take place?**

The project is scheduled to be awarded in April, 2023, with construction beginning in Spring of 2023. It is expected to be completed in late 2023.

### **Will additional right of way be needed to construct these projects?**

No right of way or easement will be required for the intersection improvements project.

### **What will the project cost?**

We are estimating the construction cost of the project at approximately \$2.7 million.
