

## Camdenton U.S. Route 54 Proposed Widening November 15, 2022

# Frequently Asked Questions

### **What is the purpose of tonight's meeting?**

The purpose of tonight's meeting is to provide information on proposed improvements to U.S. Route 54 in Camdenton.

### **Why is this work necessary?**

The project is necessary to accommodate projected traffic growth, better handle the truck traffic utilizing the corridor and create a safer corridor for turning vehicles. This will be accomplished by additional lanes which provide the ability for thru traffic to pass the turning vehicles.

### **When will the work take place?**

The project is scheduled to be bid in April 2024, with construction tentatively scheduled to begin in 2024 or early 2025. Construction is expected to take two years.

### **Will additional right of way be needed to construct this project?**

Yes, it is estimated that both right of way takings and permanent easements will be acquired. Based on the current timeline, right of way acquisition will begin in summer 2023.

### **What will the project cost?**

We are estimating the construction costs of the project at approximately \$6.0 million.

### **What is the next step?**

Various engineering and environmental studies will be performed while detailed plans are being completed to establish the right of way needs. Necessary property will be acquired through negotiations by MoDOT.

### **How can I learn more?**

You may learn more by contacting us toll-free at 1-888-ASK-MoDOT (275-6636) or by visiting us on the Web at [www.modot.org/central](http://www.modot.org/central).
