

ANSWER THE CALL!

MODOT IS HIRING EMERGENCY MAINTENANCE PERSONNEL FOR THE 2025-26 WINTER SEASON

Our emergency maintenance operators are on hand to answer the call when winter weather and other emergencies threaten our state's highways.

Currently, there are several emergency maintenance equipment operator positions open for qualified drivers to handle winter/emergency maintenance operations across the Show-Me State.

Salaries start at $22.91 an hour and depend on level of experience and area of operation. Two shift options, an eight-hour shift and/or a 12-hour shift, are being offered for seasonal emergency and volunteer help. There are also full-time maintenance worker positions available with 12-hour shifts for those looking for a permanent career with MoDOT.

If you're a service-oriented individual who is at least 18 years old and can successfully complete a criminal background check (a misdemeanor or felony conviction is not an automatic bar to employment) and drug screening, MoDOT wants you to consider a career working to keep Missouri moving this winter. Applicants must have a valid Commercial Driver's License (CDL).

Apply online at mocareers.mo.gov/modot.
