Request for Proposal (RFP) Professional Engineering Services

January 12th, 2023

Dear Consultant:

The City of Mexico, Missouri is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than 15 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active. It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) be submitted with your firm's Letter of Interest, or be on file with the City of Mexico, Missouri. The statement of qualification is not included in the total page count limit.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm be prequalified with MoDOT and listed in [MoDOT's Approved Consultant Prequalification List](#), or your firm will be considered non-responsive.

We request all letters be received by 3:00pm, February 15th, 2023 at 3rd Floor City Hall 300 N Coal St, Mexico, Missouri, 65265.

Sincerely,

A handwritten signature in blue ink that reads "Drew Williford".

Drew Williford, P.E.
Public Works Director/City Engineer

Attachment

City/County: Mexico Route: CST Pollock Road
