

## ADVERTISEMENT FOR BID # 4673

Notice is hereby given that the City of St. Charles will receive sealed proposals at City Hall, Engineering Office, 200 North Second Street, St. Charles, Missouri until 2:00 p.m. local time, on June 6, 2023, at which time all bids for the Zumbahl/Ipswich Intersection Improvements project will be publicly opened and read.

The proposed signal, ADA improvement, and partial reconstruction intersection project is located at the intersection of Zumbahl Road and Ipswich Lane in Saint Charles, Missouri.

The work on this project consists of removal of improvements, earthwork and grading, aggregate base, sidewalk and curb ramps, driveway pavement, sodding, traffic signal installations, and all incidental and collateral work necessary to complete the work according to the plans, specifications, and special provisions.

The bid proposal shall be made on a form of proposal, provided in the specifications and delivered in a sealed envelope clearly marked on the outside **Bid No. 4673** to the Engineering Office on or before the time specified above. No facsimiles will be accepted. The proposal shall be accompanied by a bid bond, certified check or cashier's check of a bank or trust company in St. Charles County, City of St. Charles, St. Louis County, or in the City of St. Louis for an amount not less than five (5%) percent of the bid amount. The amount of the check shall be forfeited to the City if the bidder neglects or refuses to enter into a contract or to furnish bond after their proposal has been accepted.

The City reserves the right to reject any and all bids, offers, or proposals submitted, or to advertise for new bids with the MoDOT's concurrence. The City reserves the right to defer the acceptance of any proposal and the execution of a contract for a period not exceeding one hundred twenty (120) days after the date of opening of the bids. The successful bidder to whom the contract has been awarded shall sign the contract and performance bond and other required certificates in triplicate and return the signed documents within fifteen (15) days after the date of their receipt.

The City of St. Charles hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

The City of St. Charles is an equal opportunity employer. The City does not discriminate against any person because of race, color, religion, sex, handicap, familial status, or national origin.

Plans and specifications are now on file at <http://planroom.drexeltech.com>. Plans and specifications can be downloaded or ordered from this site for the fee listed online.

The successful bidder and contractor will be furnished, without cost, not more than three (3) sets of plans and specifications for the project. If more are requested, additional sets will be furnished at a nominal charge. Any plans and specifications required for permits by a municipality or other public agency will be furnished by the City.

Bidders shall submit a completed Contractor Questionnaire and/or Contractor Prequalification Questionnaire with attachments not later than seven (7) days prior to the date and hour of the bid opening. See Secs 101-103 of the Standard Specifications, and Rule 7 CSR 10-15.900, "Prequalifications to Bid of Certain Contractors". Questionnaire and Contact information are provided on MoDOT's website.

Contractors and sub-contractors who sign a contract to work on public works projects must provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

The DBE Goal for this project is 10% with no trainees.
