

Request for Qualifications
Professional Engineering Services:

The Pike Lincoln County Port Authority is requesting qualifications for engineering services, to assist in the development of the port facility at 11080 Hwy D, Louisiana, MO 63353

If your firm would like to be considered for these services you may express your interest by responding to our office at 316 West Main Street, Bowling Green, Mo 63334. Please limit your Letter of Interest to no more than 6 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to the project, backgrounds of those individuals, and other similar projects your company has recently completed or are now active. It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) be submitted with your firm's Letter of Interest or be on file with the Pike Lincoln County Port Authority. The statement of qualification is not included in the total page count limit.

The scope of services may include but is not limited to: market research, master planning preparation of concept plans, engineering design, and questions relating to specialized engineering fields, geotechnical investigations, preparing and submitting necessary permit applications, contract documents, assisting with construction bidding process, construction administration, and construction observation.

Information provided to the Pike Lincoln County Port Authority must include at a minimum:

1. The specialized experience and technical competence of the firm with respect to Conceptual planning, site structure evaluation, infrastructure related work
2. The capacity and capability of the firm to perform the work in question, including specialized services, within the time limitations fixed for the completion of the project
3. The past record of performance of the firm with respect to such factors as control of costs, quality of work, and ability to meet schedules
4. The firm's proximity to and familiarity with the area in which the project is located
5. References from previous clients of related work with the firm within the past 3 years
6. Documentation of compliance within E-Verify requirements

The firm will be selected based on the above qualifications.

The above information should be submitted no later than **4:00 p.m., June 6, 2023** to the Pike Lincoln County Port Authority office at 316 West Main St., Bowling Green, MO 63334. For additional information or questions contact Carolyn Wisecarver at 573-324-4297.

The Pike Lincoln County Port Authority is an Equal Opportunity Employer and invites the submission of proposals from minority and women-owned firms.
