RE: FHWA/FTA Approval of the Statewide Portion of the
Missouri FY 2024-2028 State Transportation Improvement
Program (STIP) and Self-Certification

Dear Mr. McKenna:

As requested in your letter dated July 13, 2023, the Federal Transit Administration (FTA) and the Federal Highway Administration (FHWA) have jointly reviewed the Missouri Department of Transportation (MoDOT) FY 2024-2028 Statewide Transportation Improvement Program (STIP), which was approved by the Missouri Highway and Transportation Commission (MHTC) on July 12, 2023.

The MoDOT's FY 2024-2028 STIP incorporates MPO Transportation Improvement Plans (TIPs) and includes the MHTC's certification that the statewide transportation planning process is being carried out in accordance with the requirements of 23 CFR 450.218 and 23 CFR 450.220. Based on federal review of the proposed STIP and all supporting documentation as well as analysis of statewide transportation planning practices, we hereby find that the FY 2024-2028 STIP substantially meets the requirements of 23 U.S.C. 135, 49 U.S.C. 5304, and 23 CFR 450 Subpart B. Therefore, the FY 2024-2028 STIP and self-certification are approved.

If you have any questions or need additional information, please contact Cecelie Cochran or Dan Weitkamp of FHWA at (573) 638-2605 or Eva Steinman of FTA Region VII at (816) 329-3931.

Sincerely,

Mokhtee Ahmad
