The City of Wentzville (the “City”) seeks sealed bids from qualified contractors for:

Route Z and Interstate Drive Intersection Improvements

The Route Z and Interstate Drive Intersection Improvements Project (“Project”) shall consist of pavement reconstruction and widening, curb and gutters, shoulders, sidewalks / multi-use trail, inlets and storm sewers, traffic signals, signing and striping and other miscellaneous work as required to complete the project.

Bidders are required to submit their bid response electronically through the City’s eBidding system no later than the time and date specified in the eBidding system (2:00 p.m. on August 16, 2023). The bid opening will be conducted electronically on the date/time specified in the eBidding system. When the City electronically unseals the bid, the bid tabulation will be immediately available on the eBidding system on our website at <https://wentzvillemo.ionwave.net/Login.aspx>

Bid documents and plans are available on the City’s Bid Opportunities website http://www.wentzvillemo.org/departments/procurement/current_bidding_opportunities.php . You will be required to create a no-cost log-in to download the bid documents and submit your bid.

Questions regarding this project shall be submitted through the eBidding system by the date and time specified in the eBidding system (5:00 p.m. on August 7, 2023).

The City intends to award the contract to the lowest, responsive, responsible bidder. The City reserves the right to reject any and all bids, and to waive any irregularities.

All bidders must be on MoDOT’s Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Bid security in the amount of five percent (5%) of the total bid amount shall accompany each bid in accordance with the Notice to Contractors paragraph 5 “Bid Guaranty”.

The DBE Goal for this project is 12%. DBE participation is recommended and DBE Firms must be listed in the MRCC DBE Directory located on MoDOT’s website at www.modot.gov in order to be counted as participants. We encourage DBE Firms to submit qualifications as prime consultants for any project they feel can be managed by their Firm.

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

The City of Wentzville hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

City of Wentzville
