

## ADDENDUM NUMBER 2

Contract Number: TAP-5627(606)

Project Title: Centennial Greenway – 599A

Issue date: August 14, 2023

This addendum adds, deletes, changes, or clarifies the following:

Addenda to Itemized Bid Form

1. Change:
  - a. Bid Item 21 – quantity revised to 40 LF to match the quantity in the plans.
  - b. Bid Item 25 – revised the Description to 18" FLARED END SECTION.

### **Addenda to Bid Questions**

2. Change: Bid Questions – updated the Questions from Bidders document to reflect the four additional questions received with responses to each question.

## BID FORM PROPOSAL

PROJECT NAME: CENTENNIAL GREENWAYBID TIME: 2:00 p.m.PROJECT LOCATION: Olivette, MissouriBID DATE: 8/22/2023

BIDDER NAME: \_\_\_\_\_

TO: The City of Olivette, Missouri

In response to the Invitation for Bids for Project No. TAP-5627(606), and in accordance with the Instructions to Bidders and other Bidding Documents, the undersigned Bidder declares that he has had an opportunity to examine the site of the Work and has carefully examined the Contract Documents therefore, including the Addenda identified below, and on the basis thereof, and being fully familiar with the local conditions affecting the Work, and upon written notice of award of contract, acknowledges and agrees to provide all labor, material, equipment, tools, management and supervision, safety and technical services, insurance, bonds and incidentals necessary or required for the faithful performance of the Contract Work in accordance with the above-referenced documents in a safe, timely and workmanlike manner for the following Base Bid Price:

BASE BID:

---

Dollars (Amount in Words)

(\$ \_\_\_\_\_)

DETERMINATION OF LOW BIDDER. The Low Bidder will be determined by the total of the Base Bid.

DETERMINATION OF DBE PERCENTAGE. The DBE goal percentage will be based on the base bid total.

The Base Bid amount is more fully itemized as follows:

## Questions from Bidders

Number	Question	Response	Document Revisions JSP Section / Drawing #	Addendum #
1	On sheet C-716 the underdrain pipe entering the basin is listed as 8" PVC, but the pipe size provided in the detail on sheet C-718 is the size more typically found in bioretention basins (4"). Can you confirm that a 4" underdrain is desired and not an 8" underdrain?	Both details are correct. A 4" underdrain is required under the bio-retention cell material in the basin, and an 8" PVC pipe is required to connect the 4" underdrain to the outfall structure.	No revision required.	1
2	Do you have an Engineer's estimate for Bonding purposes?	Engineer's estimate is not available.	No revision required.	2
3	Bid Item 21- Quantity is 20 LF, plan shows 40 LF	40 LF is correct, Itemized Bid Sheets updated with Addendum #2	Itemized Bid Sheets	2
4	Bid Item 25 Description- 12" Flared End Section Looks like it should be 18"	18" is correct, Itemized Bid Sheets updated with Addendum #2	Itemized Bid Sheets	2
5	Bid Item 33 Drawing C-007 CUT WALL RT Section- shows 5" pavement extension, between sidewalk and wall. This area will overrun sidewalk quantity by Approx. 53 SY or should we add cost to Bid Item 19 Modular Wall	5" pavement adjacent to Modular Wall is considered incidental to the cost of the Modular Wall	No revision required.	2
