PUBLIC NOTICE AND REQUEST FOR COMMENTS

REGARDING PROPOSED PUBLIC HIGHWAY-RAILROAD CROSSING CONSTRUCTION OR SAFETY IMPROVEMENTS

SECTION 5. MHTC MAY APPROVE PROJECT WITHOUT FURTHER PUBLIC NOTICE:

Except as otherwise provided by law, the Missouri Highways and Transportation Commission (MHTC) has exclusive power to approve, modify or deny the proposed construction or safety improvements described in this notice. Not less than thirty (30) days after the service date of this notice, MHTC may issue an Administrative Order approving the proposed project without further notice, if:

A. MoDOT Multimodal receives no written comments in opposition to the proposed project within the thirty (30)-day notice period; or

B. MoDOT Multimodal timely receives written comments in opposition, but there is competent and substantial evidence from which MHTC finds that the proposed project (either as described in the Public Notice, or as modified in response to any comments received) will promote public safety and will not adversely affect public necessity; and

C. No interested party is pursuing a pending Application with the AHC to review or determine this project.

See Section 6 of this notice.

SECTION 6. INTERESTED PARTIES MAY FILE AN APPLICATION WITH THE AHC:

Any interested party may file an application with the Administrative Hearing Commission (AHC), which is a separate body from the MHTC, for a formal hearing/review, of the proposed project. Upon the filing of such an Application, the AHC acquires exclusive jurisdiction to conduct hearings, make findings of fact and conclusions of law, and issue orders to determine the project, as provided by law.
