

TRAFFIC ADVISORY

Demolition of MO Route 19 Bridge Over I-70 Reduces Traffic to One Lane. Expect Significant Delays Oct. 22-23

Motorists on Interstate 70 are advised of lane closures resulting in significant delays due to the removal of the old Route 19 bridge at the New Florence/Hermann exit at mile marker 175 in Montgomery County.

Delays could stretch up to 10 miles in either direction. Motorists are strongly advised to avoid the area from 7 p.m. on Sunday, October 22 through the afternoon on Monday, October 23. To alleviate congestion, motorists are strongly encouraged to avoid the area.

- I-70 traffic will be reduced to one lane in each direction and will be rerouted over the on/off ramps at the Rte. 19 & I-70 interchange (mile maker 175).
- I-70 and Rte. 19 traffic will be completely stopped at approximately 10 p.m. on October 22 for a brief period of up to 20 minutes.
- The I-70 North and South Outer Roads, east of Rte. 19 will be closed to westbound through traffic with only local residential traffic allowed between Rte. 19 and High Hill.
- The I-70 North and South Outer Roads, west of Rte. 19 will be closed to eastbound through traffic with only local residential traffic allowed from the Danville interchange to Rte. 19.
- During this time, while temporary modified traffic patterns are in place, a 10-foot width restriction will be in effect for all traffic utilizing the detour on the ramps at this interchange.
- In preparation of the Sunday night bridge demolition, crews will also be restricting I-70 to one-lane from 7 p.m. to 6 a.m. on the nights of October 17 through 20 at the Rte. 19 interchange.
