

Date: October 11, 2023

Dear Consultant:

The City of Washington is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than 5 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals and other projects your company has recently completed or are now active. It is required that your firm's Statement of Qualifications (RSMo 8.285 through 8.291) be submitted with your firm's Letter of Interest, or be on file with the City of Washington. The statement of qualification is not included in the total page count limit.

We request all letters be received by 12:00 p.m., CDT on Monday, November 13, 2023 at the office of:

Engineering Department
City of Washington
405 Jefferson Street
Washington, MO 63090

The RFQ shall be delivered in a sealed envelope with "RFQ Busch Creek Guardrail and Channel Protection Project" clearly marked on outside.

Sincerely,

Charles Stankovic, PE
Interim City Engineer

<i>City of Washington, Project: Busch Creek Guardrail and Channel Protection Project</i>	
Funding Source:	Local – Transportation Sales Tax Local – Stormwater Fund
Location:	Busch Creek along W. Eight Street from Elm Street to Sunnyside Street
Proposed Improvement:	Install Guardrail along W. Eight Street from Elm Street to Locust Street to comply with MoDOT standards. Channel protection along Busch Creek for length of project limits. Channel protections to help with erosion and wash out for major events. Also to help decrease City maintenance and improve aesthetics.
Length:	0.50 miles
Approximate Construction Cost:	\$300,000
Consultant Services Required:	<i>The engineering responsibilities may include but are not limited to the following:</i> <i>The preparation of Conceptual plans, Preliminary Plans, Contract plans and Right of Way Plans. Design services may include, right of way plans, surveying, geotechnical investigations, ADA compliance survey, subsurface utility exploration, hydraulic calculations, public involvement, environmental and historic preservation services/permits, contract documents, assisting with the bidding process, construction support/construction inspection, utility coordination/permits and traffic controls including the preparation of PS&E and final documents.</i>
Other Comments:	<i>Submit 4 copies of RFQ</i>
Contact:	Charles Stankovic, PE 405 Jefferson Street Washington, MO 63090 636-390-1014 cstankovic@washmo.gov
