February 14, 2024

Dear Consultant:

Great Rivers Greenway is requesting the services of a consulting engineering firm to perform the described professional services for the projects included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by emailing Lonny Boring, Great Rivers Greenway, at lboring@grgstl.org.

Limit your letter of interest to no more than five (5) pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active.

It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) be submitted with your firm's Letter of Interest, or be on file with Great Rivers Greenway. The statement of qualification is not included in the total page count limit.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at <https://www6.modot.mo.gov/MRCC/Home/PublicSearch> in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm be prequalified with MoDOT and listed in [MoDOT's Approved Consultant Prequalification List](#), or your firm will be considered non-responsive.

All Letters of Interest must be submitted via email to lboring@grgstl.org by 4:00 pm on Thursday, February 29, 2024.

Sincerely,

Lonny Boring
Senior Project Manager
