Project Graduation

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Diane Sayre Recreation Center

Estimated number of students at event

50

Does your school have the required roadway safety activity/presentation planned yet?

No

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

Games, food, music, prizes. It's an all night lock in event after graduation.

Clearly state your goal and action plan that will address drivers' safety issues in your school

This event is for the safety of the graduating seniors so they will be in a safe place on the night of graduation. The last thing we would want is for these young men and women is to get hurt or even killed the night after a big milestone in their lives. And there are huge incentives for

attending. We started raising money for this event in 8th grade, for the students who attend they will be eligible for cash and prizes.
