Please specify which type of event your school is having

Project Graduation

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Naylor High School

Estimated number of students at event

35

Does your school have the required roadway safety activity/presentation planned yet?

No

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

Students are bussed to a restaurant for a meal after graduation. The bus then will take students to the High School. Students will have the opportunity to participate in games, arcade games, bounce houses, etc. Food, snacks, and beverages will also be provided throughout the evening. Students will be picked up the following morning at 6AM by a parent or guardian.

Clearly state your goal and action plan that will address drivers' safety issues in your school

A safety presentation will serve as a reminder the dangers of driving while impaired, whether it be alcohol or drug usage. The Project Graduation allows the students to celebrate their graduation together without the temptations of alcohol or drugs. Students need to learn they can have fun without being under the influence.
