Our mission statement is to host an all-night, chemical free, prize filled party for the Zizzer graduating class in the hope that our community can reap the benefits of their talents for many years to come. We have a student committee that has been meeting since November. They have decided on a senior tshirt design, and a logo/catch phrase, 24K Gold - Class of 24. They have started the planning for laser tag, athletic competitions, a corn hole tournament, a DJ & dance instructor, a black light room, and a fire pit. We will have prizes, hourly giveaways, and an inflatable cash cube just to name a few other items. We are just in the beginning stages of

planning so we will add many more activities in the next few months.

**Clearly state your goal and action plan that will address drivers' safety issues in your school**

The plan currently is to host a PSA - Public Service Announcement video contest. Have current students and seniors produce an instagram length short form video and submit them for a contest with a prize, then publish the winning video(s) on the school social media and our Zizzer Project Grad social media.
