**School Information**

Southern Reynolds County R-2  
One School Street  
Ellington, Missouri. 63638  
573-663-2291

**Who is hosting the event?**

High School

**Date of event**

2024-04-27

**Please specify which type of event your school is having**

Project Prom

**Please confirm that a lock-in event is occurring after your Graduation/Prom.**

Yes

**Location of event**

Cape Girardeau or Leadington, MO (location has to be confirmed by administration)

**Estimated number of students at event**

85

**Does your school have the required roadway safety activity/presentation planned yet?**

Yes

**Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?**

Yes

**What activities will occur at the event?**

Activities planned for this year's Project Prom is renting out a space which includes entertainment and games, such as a corn hole and a dart tournament; karaoke, bowling, dance off, arcade and contests with Jenga, pool, and other similar gaming activities; and bowling, music, and food.

**Clearly state your goal and action plan that will address drivers' safety issues in your school**

Project Prom, a fun and safe event for students, is designed to be an alternative to other activities which might have devastating consequences for teenagers. The club's goal is to provide a fun, safe place for teens to celebrate prom night: using incentives, involving fun and prizes, to promote project prom attendance for students instead of going to parties, where they might be tempted to make bad choices which could lead to teens' being involved in an accident. The objective is to provide an alcohol and drug free environment for students. The action plan to be taken to address drivers' safety is to promote Project Prom through an assembly, flyers, and class meetings. In addition, information pamphlets will be given out during our roadway safety activity/presentation that we have planned to occur during the class meeting. The Traction team members will speak to their peers during a meeting about Prom & Project Prom. They will elaborate on said drivers's safety issues that are relative to our school, especially on extra special nights such as prom, homecoming, and graduation.
