School Information

Summersville High School
525 Rogers Ave
Summersville, Missouri. 65571
417-932-4929

Who is hosting the event?

High School

Date of event

2024-04-06

Please specify which type of event your school is having

Project Prom

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Summersville High School

Estimated number of students at event

50

Does your school have the required roadway safety activity/presentation planned yet?

No

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

Students will lock in at the high school and participate in board games, video games, sports, watching movies, inflatables, laser tag, etc. We try to vary the agenda from year to year to include new activities that entice students to spend prom night being supervised by adults in a safe venue.

Clearly state your goal and action plan that will address drivers' safety issues in your school

As the goal of project prom is to keep students safe on a night when poor choices are sometimes made concerning driver's safety, the goal of Summersville High School is to provide our students with a safe environment in which to celebrate this special evening in the company of caring adults and peers. Our plan of action is to keep students at the school overnight so that they do not have the opportunity to engage in poor choices involving driver safety such as distracted driving or driving under the influence of drugs or alcohol. Students are required to stay at the project prom venue until the next morning. If they want to leave earlier, they have to leave accompanied by a parent/guardian. If this grant is received, we will incorporate a presentation on roadway safety into the agenda for the evening.
