Project Prom

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

THAYER HIGH SCHOOL

Estimated number of students at event

175

Does your school have the required roadway safety activity/presentation planned yet?

No

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

We will host Prom Lock in after Prom. Then the parents take the kids over for the night. We will have food, fun activities, and possibly go bowling or skating.

Clearly state your goal and action plan that will address drivers' safety issues in your school

This keeps our kids in a safe drug and alcohol-free environment. This keeps them off the road and out peer pressure for the night. We want to keep our kids safe from harm's way. We also

discuss how important it is to wear your seatbelt and drive safe. If someone has been drinking take their keys away and take them home.

Students in FBLA will be doing a presentation on texting and driving during the lock-in.
