95

**Does your school have the required roadway safety activity/presentation planned yet?**

Yes

**Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?**

Yes

**What activities will occur at the event?**

We are hosting a prom for the Van Buren High School students. After prom we will be doing project prom and taking attendees to a activity after prom. (Part of a lock-in event).

**Clearly state your goal and action plan that will address drivers' safety issues in your school**

We would like to ensure the safety of all attendees at the school's prom event by implementing measures to address drivers' safety issues. We would like to clearly communicate the

importance of safe driving to all students attending the prom. Encourage students to stay and be a part of Project Prom. We are reaching out to the MO Highway Patrol to give a presentation and we have an SRO on campus who could also give the presentation. Our SRO is currently working on doing a crash simulation as well and talking about traffic safety.
