

**Amendment No. 4 to  
Request For Qualifications**

Missouri River Terminal

Phase 1

Roadway/Bridge Access

Progressive Design-Build Project

Jackson County, MO

Date of Issuance: May 15, 2024

Pursuant to Section 4.2 of the RFQ, SOQ's were to be submitted by 1:00 pm, Central Time, on Wednesday, May 15, 2024 by electronic copy to [mmehlhaff@portkc.org](mailto:mmehlhaff@portkc.org). That email address contained a typographical error. The correct e-mail address for SOQ submittals is: [mmehlhaff@portkc.com](mailto:mmehlhaff@portkc.com)

Port KC was made aware of the error after the deadline for submittals had passed, i.e., after one or more Submitters received an automated notification that their emails could not be delivered as addressed. In order to ensure that all interested Submitters are given an opportunity to make a timely submittal, the due date for Request for Qualifications (RFQ) is extended to Friday, May 17, 2024, at 1:00 p.m. Those submitting their SOQ after 1:00 p.m. on Wednesday, May 15, 2024, **MUST** include documentation clearly establishing that they attempted to submit the same before that date and time and but were precluded from doing so due to the error in the submittal address. Documentation for such purposes may include, but is not limited to, of a copy of the automated response notifying the Submitter that their email could not be delivered as addressed.
