EASTBOUND I-270 TO NEW FLORISSANT ROAD TO CLOSE

MoDOT will close the eastbound I-270 North exit to New Florissant Road on September 6, 2022 for 45 days. Motorists will exit at Hanley Road, turn left onto Pershall Road, and continue to New Florissant Road. This ramp closure is necessary to accommodate construction of the new eastbound I-270 exit ramp for New Florissant Road.

The public is encouraged to visit the I-270 North Project website to learn more about planned traffic impacts and details of the project, including a project overview and graphic displays of planned construction.

NORTHBOUND 367 TO WESTBOUND I-270 DETOUR

Motorists should be advised that northbound 367 to westbound I-270 has a new access point. Drivers will now need to make a left at the new traffic signal when using the existing loop ramp.

BACK TO School

The I-270 North Project team reminds drivers that students are returning to class. Remember to slow down and pay attention as more children will be on or near the roadways. Watch for those walking, bicycling and for school buses.
