

# CHILD PASSENGER SAFETY TECHNICIAN COURSES

## UPCOMING TRAINING COURSES

**DECEMBER 3-6, 2024**

*West Plains Fire Department*

**MARCH 18-21, 2025**

*Three Rivers College,  
Poplar Bluff*

To register,  
please visit:

[cert.safekids.org](https://cert.safekids.org)

Attendees must be at least 18 years old at the time the course starts. The standardized child passenger safety technician (CPST) certification course is usually 3-4 days long and combines classroom instruction, hands-on work with car seats and vehicles, and a community safety seat checkup. Attendance is required for the entire course.
