

Driver's Education

4-week sessions, now available at MAC!

Mineral Area College is pleased to partner with Show Me Driving School to provide driver's education to our community. Take advantage of this opportunity to have a certified instructor teach you to drive in a relaxed, positive, and encouraging environment!

Build your skills to become a safe and confident driver

Skilled Instruction

Students receive behind the wheel instruction building upon their current knowledge

We Provide the Vehicle

Driving lessons completed in a vehicle provided by Show Me Driving School

Potential Insurance Savings

Check with your carrier to see if you qualify for a discounted rate after completing a driver's education program

Contact us today to hold your spot in an upcoming session!
