

## **TR202603 New Technologies for Detecting and Mapping Passages Beneath Missouri Highways RFP - Questions and Answers**

Q1: If teaming with a university partner, would MoDOT like XYZ firm to include specific graduate student resumes or would supervisor/university faculty resumes be sufficient?

*A1: The university supervisor/faculty resume(s) is sufficient, but MoDOT needs to know what part, or parts, of the project is being done by graduate students.*
