

INTERSTATE APPLICATION CHECKLIST

Firms applying for DBE Interstate Certification in Missouri must upload the following to [The Box](#):

Type of certification requested:

☐ DBE only ☐ ACDBE only ☐ DBE & ACDBE

*Note, if your firm is requesting ACDBE or DBE & ACDBE Certification, you must apply with one of the following agencies: City of Kansas City and St. Louis Lambert Airport

☐ A cover letter that specifies the DBE is applying for Interstate Certification.

Include the following:

- A list of other Unified Certification Programs (UCP) (states) the firm is certified with under 49 CFR Part 23 and/or Part 26.
- The Jurisdiction of Original Certification (JOC). The JOC is the state in which the firm maintains its principal place of business at the time of the original application.
- The specific certification work type(s) or North American Industrial Classification System (NAICS) codes for which the firm is applying – DBE with a description of specific work performed under the code.

- To verify the NAICS code description of specific work, enter your NAICS code in the 2022 NAICS search and scroll down to view the corresponding index entries at <https://www.census.gov/naics/>

☐ An electronic image of the UCP directory of the JOC that shows the DBE certification.

☐ A new [Declaration of Eligibility \(DOE\)](#).

Optional - Firms applying for DBE Interstate Certification in Missouri can upload the following to [The Box](#):

☐ The date your firm was established. _____

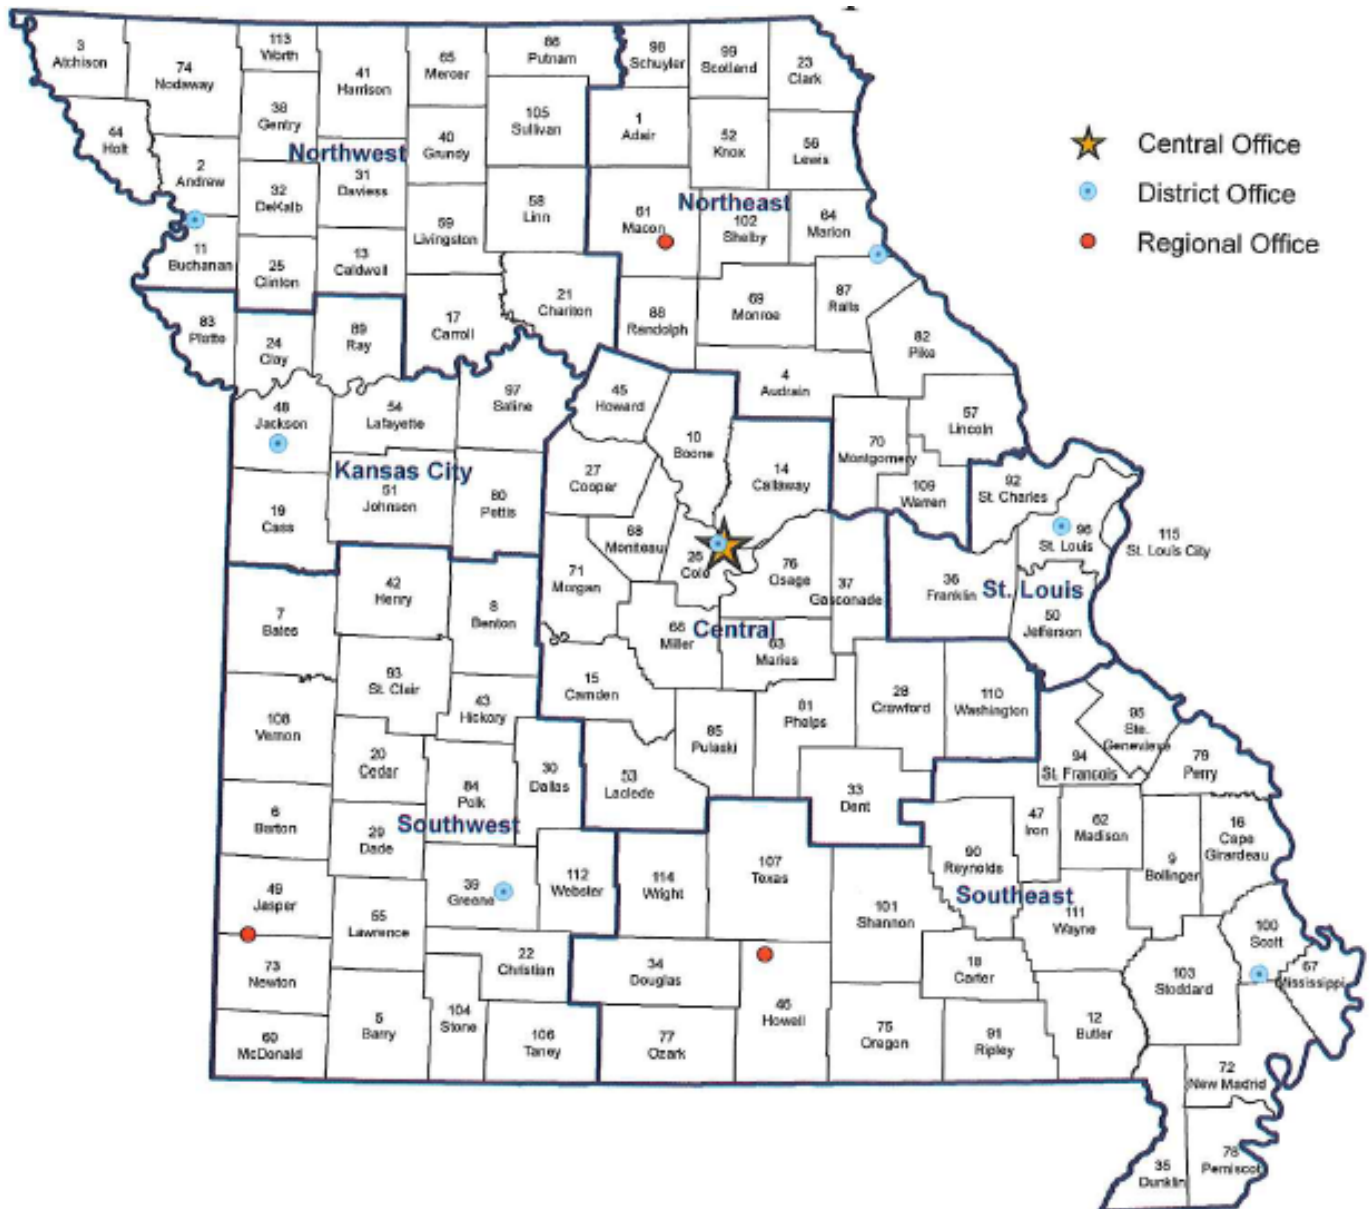

☐ The date your firm was certified with the JOC. _____

☐ The website address of your firm, if available. _____

☐ Which of the 7 MoDOT districts are you able to perform work in?
All or NW, NE, KC, CD, SL, SW, or SE _____
