

Public Notice

NOTICE TO CONTRACTORS

Proposals will be received by AGRIServices of Brunswick, LLC until 10 AM on 6/13/2025, at ASB River Terminal, 40135 HWY 24 W, DeWitt, MO 64639, this will be an open to contractors bid opening with an open teleconference line available.

A summary of proposed improvements include, but are not necessarily limited to:

- Agri Services of Brunswick, located in DeWitt, MO will be replacing and upgrading a portion of their existing tracks that they unload fertilizer products on today. While the tracks are removed, the existing rail subgrade will be shaped and prepared to improve the drainage within the track area. This will include a perforated trench drain running along the tracks, directing storm water to the existing drainage system in place today. Inlet locations will be reconfigured to accommodate the proposed track and drainage improvements as well. The proposed drainage improvements will also include proposed culverts under the track that will direct additional storm water and the adjacent roof water to the existing drainage system currently in place. As the subgrade and drainage improvements are put in place, the proposed track will be constructed back through the improved roadbed area. Once the track has been constructed and put to its proper elevation, the tracks will be capped off with asphalt, to allow for the truck loading to take place through the area as it does today.

The full Notice to Contractors, and the plans and specifications may be received electronically from AGRIServices of Brunswick, LLC, and complete instructions to bidders and proposal blanks may be obtained by contacting AGRIServices of Brunswick, LLC via telephone (800-279-4229) or email (doug@agriservices.com) to arrange the electronic transfer of documents. Only contractors who have plans and specifications and are listed on the plan holders list will be eligible to bid.

Pre-bid site inspections for plan holders will be available by appointment. Every effort possible will be made to give a thorough site review for qualified bidders.

Proposals must be on forms provided in the Specifications and Contract Documents. The right is reserved to reject any or all bids.
