

CALLAWAY COUNTY ROUTE H BRIDGE OVER THE MIDDLE RIVER DECK REPLACEMENT

PROJECT OVERVIEW

Planned Improvements

The supporting structures of the Route H are in good condition, but the driving surface – the deck – has deteriorated and must be replaced.

Planned improvements include:

- New 24-foot wide deck - the same width as the existing structure.
- New concrete barriers to replace the current railings.
- New guardrail at all four corners of each bridge.

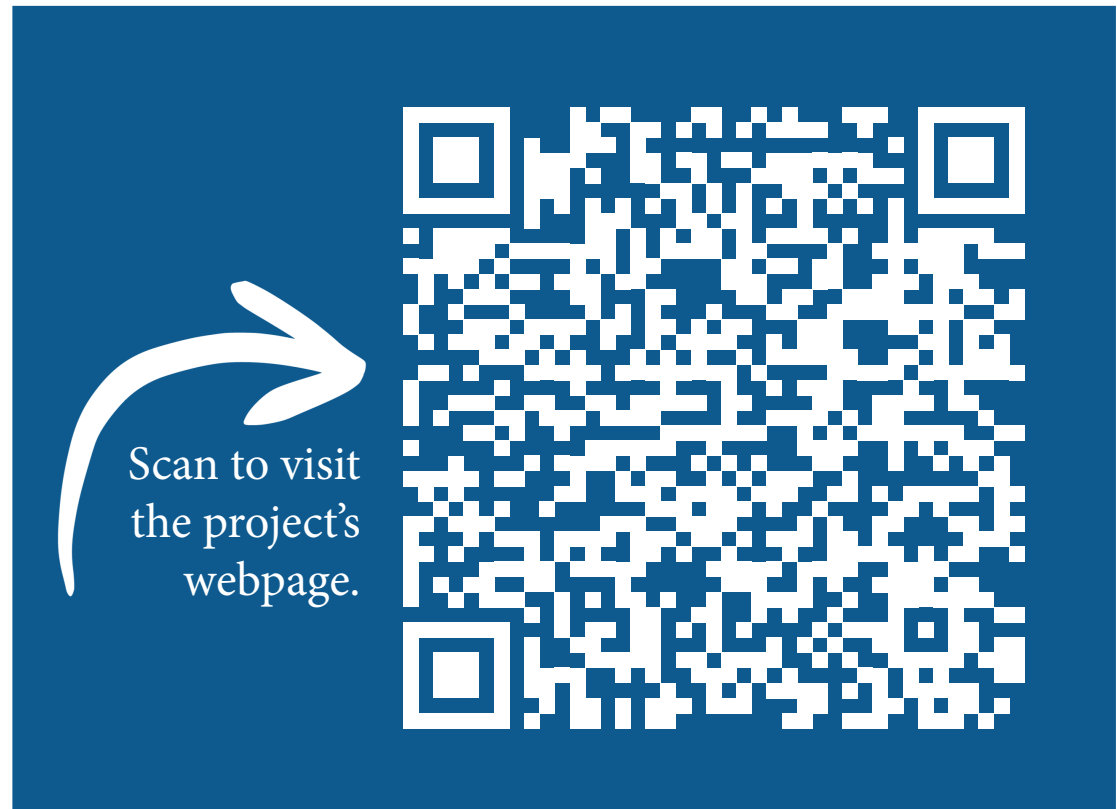

Estimated Cost

- \$683,000 including engineering and construction costs.*

**As of May 2025. This amount is subject to change.*

Current Project Timeline

- **March 2026:** Contractors may submit competitive bids.
- **April 2026:** The Missouri Highways and Transportation Commission may award contract for work.
- **May 2026:** If awarded in April, the earliest the contractor may begin work.
- **End of 2026:** Anticipated completion of project.
