

Missouri Route 14 (South Street) Roadway Widening in Ozark

PROJECT FACTS

- Widen Route 14 (South Street) to five lanes — two lanes in each direction, with a designated center turn lane — between 6th Avenue and 14th Avenue in Ozark
- Replace traffic signal at 6th Avenue
- Install sidewalk addition parallel to Route 14

TRAFFIC IMPACTS

- Lane closings on Route 14 (South Street)
- Traffic shifts away from construction work
- Side streets and sidewalks CLOSED at times
- Entrances closed one-half at a time or completely, if two entrances exist
- Crews and equipment close to traffic

CONSTRUCTION

- Public Meeting July 8, 2025
- Construction to begin: Spring 2027
- Construction Completion: Winter 2028
- Project Cost: \$8.6 million
 - Sidewalk installation on Route 14 is a Cost-Share with the City of Ozark
