

**ADVERTISEMENT  
Bridge Replacement Work**

SEALED PROPOSALS consisting of:

**Osage County – County Road 611 over Maries River Bridge Replacement  
Federal Aid Project No. BRO-R076(001)**

Located along County Road 611 over Maries River in Osage County, Missouri

Sealed BIDS for **County Road 611 over Maries River Bridge Replacement** will be received at: **Osage County Clerk's Office, 205 East Main Street, Linn, MO 65051**, until **9:00 o'clock A.M.** (Prevailing Local Time) on the **9th day of October 2025** and at that time will be publicly opened and read.

The proposed work involves replacing the Bridge on County Road 611 over the Maries River near Westphalia with a four-span bridge approximately 360' in length utilizing MoDOT NU63 prestressed concrete girders. End Bent 1 and Intermediate Bent 2 will be supported by driven steel piles and will be protected by 2'-0" thick rock blanket. Intermediate Bents 3 and 4 will be founded on drilled shafts with rock sockets. End Bent 5 will set at a rock berm with pre-bored steel piles. Flared girder lines near the East end of the bridge will be required to accommodate the new horizontal roadway alignment to improve safety and maneuverability on the East side. The road and the bridge have been closed since 2020 and no further removal of the existing bridge will be required. Vehicular traffic to be maintained on alternative routes during construction. All equipment, material, and workmanship must be in accordance with the plans, specifications, and contract documents on file with Osage County.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

Osage County hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 from the current version of the Missouri Standard Specifications for Highway Construction, including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and subcontractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within (60) days of beginning work on the construction project.

The CONTRACT DOCUMENTS are available to view online at <https://www.adsplanroom.net/>. Printed CONTRACT DOCUMENTS may be purchased by contacting American Document Solutions ONLY. Purchase price is available upon request from American Document Solutions. Checks are to be made payable to "ADS", and mailing costs are the responsibility of the purchaser.
