

WASHINGTON COUNTY ROUTE A OVER INDIAN CREEK BRIDGE REPLACEMENT

PROJECT OVERVIEW

Planned Improvements

The Route A bridge over Indian Creek in Washington County, east of Sullivan, is slated for replacement in 2026-2027. Planned improvements include:

- New 24 feet wide bridge with two 11-foot lanes and two 1-foot shoulders, 4 feet wider than the current bridge.
- New concrete barriers to replace the current railing.
- New guardrail at all four corners.

Traffic Impacts

Construction will require a full roadway closure.

- The closure is anticipated to last 150 calendar days, subject to change.
- A signed detour will direct motorists to use Washington County Route T and Missouri Route 185.

Estimated Cost

- \$3.5 million including engineering and construction costs, subject to change.

Current Project Timeline

- **May 2026:** Contractors may submit competitive bids.
- **June 2026:** Missouri Highways and Transportation Commission may award contract.
- **Winter 2026:** Work on Route A cannot begin until the bridges on Route A and Route 185 are complete
- **Dec. 2027:** Anticipated project completion.
