

MISSOURI ROUTE 185 OVER SWAN BRANCH BRIDGE DECK REPLACEMENT IN WASHINGTON COUNTY

PROJECT OVERVIEW

Planned Improvements

The Missouri Route 185 bridge over Swan Branch, north of Potosi, is slated for a deck replacement in 2026. Planned improvements include:

- New 28 feet wide bridge deck – 2 feet wider than current structure.
- Replacing current railings with new barriers.
- Installing new guardrail.

Current Project Timeline

- **March 2026:** Contractors may submit competitive bids.
- **April 2026:** Missouri Highways and Transportation Commission may award contract.
- **May 2026:** If awarded in April, earliest contractor may begin work.
- **Dec. 2026:** Anticipated project completion.

the project's
webpage.

Traffic Impacts

The bridge will be closed for the duration of construction, which is anticipated to last 60 calendar days, subject to change.

A signed detour will direct motorists to use Washington County Route T, Washington County Route A, Missouri Route 47, Missouri Route 21, and Missouri Route 8.

Estimated Cost

- \$866,000 including engineering and construction costs, subject to change.
