How to apply for certification courses:

- Go to this link: [Technician Certification Program | Missouri Department of Transportation](#)
- Click on: Application for courses at State Technical College ([MoDOT Application | Portal](#))
- Follow the on-line instruction on the STC website

Technician Certification Information:

- The number of applicants will be limited and filled on a first-come, first served basis
- 8 applicants- the minimum people to conduct a class
- The college may cancel a class if the minimum applicants is not met
- The college will need 24-hour notice of cancelation, call the STC
- If an applicant is on SNOW duty, call ASAP to cancel
- To reschedule, cancel questions, changes in registration, call STC

Cancellation Policy:

- Contact STC to cancel courses: 573-897-5330 or 573-897-5182
- TEN Calendar days prior to the course date to cancel to get FULL return of fees paid
- After TEN calendar days of the course date will cause the course fees to be forfeited
- Exception: Certifications may be canceled & rescheduled due to inclement weather or to plow snow. Call STC as soon as possible to cancel if you are called to plow snow.

Paying for Certifications:

- Payment for courses will be accepted through on-line registration
- Payment is required prior to confirmation of your chosen course or courses
- Pick from a drop-down list that will work best for you
- Contact STC for questions

Initial Certification:

- Located at State Technical College in Linn, MO
- Will include a classroom lecture, computerized exam and a proficiency exam
- In-Person
- May last anywhere from 1-3 days depending on the certification (see calendar for details)

Certification Preparation In-Person Classroom:

- IF you are located further away, hotel arrangements may need to be set up in advance (at the applicant's expense and booking)

MODOT TECHNICIAN CERTIFICATION PROGRAM

- Prior to test day, review your manual and proficiency packet from the MoDOT Website (a hard copy will be given in class) [Technician Certification Program | Missouri Department of Transportation](#)
- You will need to bring Pen & Calculator

Renewal Certification

- Most renewal testing will be virtual
- At your own office
- It takes 1-2 hours for an exam, Superpave is a 3-hour exam
- Proficiency will need to be completed on test day as well

Renewal Certification Virtual Preparation:

- Prior to test day, review the manual and proficiency packet from the MoDOT website
- A current hard manual can be used and picked up at each district office or request
- Pen & Calculator
- A quiet room, laptop with internet connection, camera, and Microphone
