

I-44/U.S. 50 Interchange Improvements Project

November 2025

Join Us *Today* for Our In-Person Public Meeting!

When? Thursday, November 6, 2025

What time? 4:00 p.m. – 6:30 p.m.

Where? Union Community Center
1329 Union Avenue, Union, MO 63084

Your Voice Matters!

MoDOT is planning improvements at the I-44/U.S. 50 interchange and U.S. 50/Route AT intersection. This project aims to increase safety and reliability while improving roadway conditions.

You're invited to share your thoughts on the project goals, which have been shaped by engineering data as well as this community's input. These goals, and the feedback you share with us, will underpin all the decisions that MoDOT makes for this critical interchange.

Can't Make It In Person? No Problem!

If you can't join us in person, you can take our online survey [here](#). The survey will be available until **Friday, November 21**. We look forward to your participation and feedback!

Check out the public meeting presentation and materials by visiting our project website [here](#)!
