

# U.S. ROUTE 63 INTERSECTION IMPROVEMENTS IN NORTHERN BOONE COUNTY

## PROJECT OVERVIEW

### Planned Improvements

U.S. Route 63 at Route CC/Roy Barnes Road and Crofton Hall Road, in northern Boone County, near Sturgeon, are slated for intersection improvements in 2026.

Route CC/Roy Barnes Road improvements include:

- Removing crossover.
- Adding acceleration and deceleration lanes at Route CC and Roy Barnes Rd.
- Installing lighting at the intersection.

Crofton Hall Road improvements include:

- Adding acceleration and deceleration lanes at Crofton Hall Road on southbound U.S. Route 63.
- Extending Old Highway 63 to the north and shifting access for two driveways from U.S. Route 63 to the new Old Highway 63 extension.

### Estimated Cost

- \$3 million including engineering and construction costs, subject to change.

### Traffic Impacts

At this stage in the design process, all roadways are expected to remain open through construction, though motorists will encounter lane closures and turning restrictions. Access to businesses and residences will be maintained throughout the project.

the project's  
webpage.

### Current Project Timeline

- **May 2026:** Contractors submit competitive bids.
- **June 2026:** Missouri Highways and Transportation Commission may award contract.
- **Summer 2026:** Construction could begin as early as August 2026, but the specific start date will not be determined until after the contract is awarded.
- **Nov. 2027:** Anticipated project completion.
