

ADDENDUM NO. 1

**TANNER BRIDGE ROAD SAFETY IMPROVEMENTS
PROJECT NO. 2023-602-1**

**COLE COUNTY DEPARTMENT OF PUBLIC WORKS
November 18, 2025**

JOB SPECIAL PROVISIONS CHANGES

The Bidder shall make following changes to the Job Special Provisions:

JSP Z. Reclaimed Asphalt Shingles (RAS)

REPLACE Paragraph 1.0 with the following:

1.0. Description. Reclaimed asphalt shingles will be allowed per MoDOT Specifications with the following exception:

No Reclaimed Asphalt Shingles (RAS) shall be included in any surface mixture used on this project.

ADD the following JSP:

JSP HH. Temporary Aggregate

1.0. Description. This specification allow for crushed gravel, crushed stone or chat to be used as the primary material to provide temporary access to driveways at all times during construction. 100 tons of temporary aggregate is included in the contract. This is an arbitrary amount for bidding purposes only and it is anticipated that this value will be adjusted in the field as needed. Contractor must coordinate with the Engineer, and Engineer must approve gradation, location and amount prior to placement of temporary aggregate.

2.0 Measurement for payment in Tons will be made in the field.

3.0. Basis of Payment. All costs incurred by the contractor for labor, equipment and materials in compliance with the above requirements shall be considered completely covered by the pay item "Temporary Aggregate" per TON.

END OF JOB SPECIAL PROVISIONS CHANGES

BID PROPOSAL FORM

The following changes have been made to the Bid Proposal Form:

- ADD Item 310-99.10 – Temporary Aggregate – 100 Ton

| | | | | | |
|-----------|---------------------|-----|-----|--|--|
| 310-99.10 | TEMPORARY AGGREGATE | TON | 100 | | |
|-----------|---------------------|-----|-----|--|--|

A new Bid Proposal has been provided.

DOCUMENTS ATTACHED FOR REFERENCE

Revised Job Special Provisions.

Revised Bid Proposal Form.

Minutes from Pre-Bid Meeting held November 13, 2025.

END OF ADDENDUM NO. 1

testing, and disposal of surplus materials as required by the Construction Drawings. Any necessary rock excavation is incidental to this bid item. See attachment A, which contains the record drawings for the existing force main. Rock boring data is shown throughout the force main plan sheets and can be used as a reference for determining the extent of rock removal; however, actual rock quantity removed may vary.

8.0 Air/Vacuum Release Valve and Vault (Bid Item FM-15)

8.1 Measurement: Lump Sum (LS). Measurement may be made at the Engineer's discretion to provide a percent complete based on the overall project estimated completion if partial payment is desired.

8.2 Item includes: All material, equipment, labor, supervision, and other services for the installation of the air release valve and structure, including but not limited to site preparation, excavation, precast concrete structure (base and riser sections), precast manhole / frame, air vacuum valve, air vacuum valve piping, ball valves, cleanout, filter, stainless steel supports, concrete supports, connection/coupling to 4" force main and 8" force main, vent piping (and appurtenances), vent pipe painting, any necessary trench boxes/shoring, bedding, backfill, any full-depth aggregate backfill, protection of existing utilities, dewatering, and disposal of surplus materials as required by the Construction Drawings. In general, item includes everything inside the vault, including the vault. Valves, fittings, and appurtenances shown in the vault detail outside of the vault are paid by other bid items and should not be accounted for in this bid item. Any necessary rock excavation is incidental to this bid item. See attachment A, which contains the record drawings for the existing force main. Rock boring data is shown throughout the force main plan sheets and can be used as a reference for determining the extent of rock removal; however, actual rock quantity removed may vary.

HH. Temporary Aggregate

1.0. Description. This specification allow for crushed gravel, crushed stone or chat to be used as the primary material to provide temporary access to driveways at all times during construction. 100 tons of temporary aggregate is included in the contract. This is an arbitrary amount for bidding purposes only and it is anticipated that this value will be adjusted in the field as needed. Contractor must coordinate with the Engineer, and Engineer must approve of gradation, location and amount prior to placement of temporary aggregate.

2.0 Measurement for payment in Tons will be made in the field.

3.0. Basis of Payment. All costs incurred by the contractor for labor, equipment and materials in compliance with the above requirements shall be considered completely covered by the pay item "Temporary Aggregate" per TON.

REVISED BID PROPOSAL FORM

PLAN HOLDER CONTACT INFORMATION**COUNTY OF COLE, MISSOURI****TANNER BRIDGE ROAD SAFETY IMPROVEMENTS
PROJECT NO. 2023-602-1**

All potential bidders **SHALL** complete this form and submit it to the Cole County Public Works email address listed below in order to provide contact information required. All other plan holders may submit this form at their own option. Addenda will be posted on the county website. In the event of disruption of website services, all such information will be communicated to all registered plan holders.

Any bids received from individuals/companies that do not submit this form in advance will not be opened.

PROPOSAL FORM**COUNTY OF COLE, MISSOURI****TANNER BRIDGE ROAD SAFETY IMPROVEMENTS
PROJECT NO. 2023-602-1**

Name of Bidder: _____

Address of Bidder: _____

To: Cole County Department of Public Works
5055 Monticello Road
Jefferson City, MO 65109

THE UNDERSIGNED BIDDER, having examined the Plans, Specifications, Regulations of the Contract, Special Conditions and other proposed Contract Documents, and all addenda thereto; and being acquainted with and fully understanding (a) the extent and character of the work covered by this Proposal; (b) the location, arrangement, and specified requirements for the proposed work; (c) the location, character, and condition of existing streets, roads, highways, railroads, pavement, surfacing, walks, driveways, curbs, gutters, trees, sewers, utilities, drainage courses and structures, and other installation, both surface and underground which may affect or be affected by the proposed work; (d) the nature and extent of the excavations to be made, and the type, character, and general condition of materials to be excavated; (e) the necessary handling and re-handling of excavated materials; (f) the location and extent of necessary or probable dewatering requirements; (g) storm and flood water; (h) local conditions relative to labor, transportation, hauling, and rail delivery facilities; and (i) all other factors and conditions affecting or which may be affected by the work.

HEREBY PROPOSED to furnish all required materials, supplies, equipment, tools, and plant; to perform all necessary labor and supervision; and to construct, install, erect, and complete all work stipulated in, required by, and in accordance with the proposed Contract Documents and the drawings, Specifications, and other documents referred to therein (as altered, amended, or modified by addenda), in the manner and time prescribed and that he will accept in full payment sums determined by applying to the quantities of the following items, the following unit prices and/or any lump sum payments provided, plus or minus any special payments and adjustments provided in the Specifications and he understands that the estimated quantities herein given are not guaranteed to be the exact or total quantities required for the completion of the work shown on the drawings and described in the Specifications, and that increases or decreases may be made over or under the Contract estimated quantities to provide for needs that are determined during progress of the work and that prices bid shall apply to such increased or decreased quantities as follows:

TIME OF COMPLETION:

The undersigned hereby agrees to complete the project by no later than **November 1, 2026**, subject to the stipulations of the regulations of the Contract and the Special Conditions.

It is understood that the specifications governing the construction of the work contemplated are those known and designated as the "Missouri Highway & Transportation Commission Standard Specifications for Highway Construction" approved by the Missouri Highways & Transportation Commission, together with the special provisions, job and general, if any attached to this proposal.

It is understood and agreed that if this Proposal is accepted, the prices quoted above include all applicable state taxes and that said taxes shall be paid by the Contractor.

The undersigned, as Bidder, hereby declares that the only persons or firms interested in the Proposal as principal or principals is or are named herein and that no other persons or firms than herein mentioned have any interest in this Proposal or in the Contract to be entered into; and this Proposal is made without connection with any other person, company, or parties making a bid or proposal; and that it is in all respects fair and in good faith, without collusion or fraud.

The undersigned agrees that the accompanying bid deposit shall become the property of the County should he fail or refuse to execute the Contract or furnish Bond as called for in the specifications within the time provided.

If written notice of the acceptance of this bid is mailed, telegraphed, or delivered to the undersigned within ninety (90) days after the date of opening of bids, or any time thereafter before this bid is withdrawn, the undersigned will, within ten (10) days after the date of such mailing, telegraphing, or delivering of such notice, execute and deliver a Contract in the form of Contract attached.

The undersigned hereby designates as his office to which such notice of acceptance may be mailed, telegraphed, or delivered:

GENERAL BIDDING INFORMATION

1. Sealed proposals on the forms prepared by Cole County will be received by the County Commission, Cole County, Missouri, at the Courthouse Annex, Room 200, 311 East High Street, Jefferson City, Missouri, until **9:00 a.m., on Friday, November 21, 2025**, for the **Tanner Bridge Road Safety Improvements**. The proposals will be publicly opened and read aloud thereafter. Bids received after the specified time for opening will be returned unopened.
2. Prior to the time and date designated for the receipt of bids, bids may be modified or withdrawn only by notice to the County Commission at the place and prior to the time designated for receipt of bids. No bids shall be withdrawn for a period of 90 calendar days after the scheduled closing time for receipt of bids.
3. Plans and specifications may be viewed and downloaded online in the bids section at www.colecounty.org. A hard copy of the plans and specifications will not be provided unless requested in advance.
4. **All Contractors wishing to bid on this project shall submit the plan holder contact information form found in the bid manual to ccpwprojects@colecounty.org prior to the bid opening.** A bid received from a Contractor that has not submitted this form will not be opened and therefore not read. It will be returned to the Contractor.

Tanner Bridge Road Safety Improvements
Pre-Bid Meeting
Page 2

5. This project is being let in **required combination** with Tanner Bridge Road Bridge Replacement, Federal Project No. BRO-R026(025), Cole County Project No. 2023-802-1. In order to be considered for award, Contractors **MUST** submit a bid for both projects. See JSP “Required Combination of Projects” in the contract documents.
6. A bid bond will be required in the amount of 5% of the bid. No personal checks will be accepted.
7. A one-year Performance and Payment Bond is required.
8. Questions regarding the plans and specifications will be taken up to 24 hours prior to the date and time of the bid opening. This will allow the County to get the information out to all of the bidders. General questions regarding the bidding process will be answered up to the time of the opening.
9. Addenda may be issued on this project at any time up to 24 hours prior to the bid date and time. It shall be the responsibility of the contractor to verify if any addenda have been issued prior to submitting their bid. The County assumes no liability if a contractor fails to incorporate addenda into their bid. **Addenda will be posted on the Cole County website and will NOT be faxed.**
10. Prevailing wage rates are required on this project. The wage rates for Cole County are included in the specifications.
11. The right is reserved by Cole County to reject any and all bids and to waive informalities therein.
12. Bids shall be submitted on the Proposal Form furnished by the County. All blank spaces shall be filled in on the forms by typewriter or by handwriting in ink. The bidder shall make no other stipulations in the bid form or qualify his bid in any manner. The bids shall be submitted in an opaque sealed envelope marked “**Tanner Bridge Road Safety Improvements – Project No. 2023-602-1, Construction Bid**” and shall be clearly marked with the bid date, bid time and bidder’s name and address.
13. The County will accept computer generated spreadsheets for the unit price items to help alleviate problems with computation mistakes. If a spreadsheet is used, it shall be in the same format as the one included in the proposal. The sheet shall be inserted in front of the one included in the proposal form.
14. The Notice to Proceed date is anticipated to be January 19, 2026. If awarded the contract, the Contractor agrees to complete the work within **November 1, 2026**.
15. **Liquidated damages** shall be **\$2,550.00** per calendar day for every day that the Contractor fails to complete the work as provided in the contract documents.
16. Simultaneously with the delivery of the executed contract, the Contractor shall furnish a surety bond in the amount of 100% of the total contract sum, as security for both faithful

Tanner Bridge Road Safety Improvements
Pre-Bid Meeting
Page 3

performance of the contract and for the payment of all persons performing labor on the project under this contract as specified in the contract documents.

17. Do NOT include federal excise tax or sales and use taxes in the bid prices. This project will be a SALES TAX EXEPMT project. A copy of the federal tax exemption certificate will be furnished.

GENERAL PROJECT INFORMATION

1. The Contractor is highly advised to visit the project location to observe existing site conditions.
2. The Contractor shall provide a work schedule and traffic control plan prior to beginning work.
3. OSHA safety training requirements apply. The Contractor shall provide documentation that each employee has completed the training program and each employee that has not must do so within 60 days of beginning work on the project.
4. Excessive unemployment law is in effect.
5. Pipe bid items are for furnishing and installing. The County will not furnish the pipe.
6. The County will be providing the inspection for the construction.
7. The Contractor will be required to use extreme care to not disturb the property corner pins designated as “not to be disturbed”. If they are disturbed, the County will require them to be replaced at no expense to the County.
8. The project is to be constructed to the lines and grades as shown on the plans and specifications. All of the excavations are unclassified and it will be the Contractor’s responsibility to ensure the grades are obtained.
9. **Change Orders** – If there is any item that the Contractor thinks additional pay is warranted, a change order request will have to be submitted and approved by the Director or County Engineer prior to commencing any of the additional work. **This includes an overrun on quantities.** Any extra work done without approval WILL NOT be paid unless you have a really good reason.
10. This project will utilize the County’s Land Disturbance Permit. The Contractor will be responsible for following this permit and the included SWPPP documents.

UTILITIES

All utility companies that are in the area are listed on the plans

TECHNICAL SPECIFICATIONS AND STANDARD PLANS

The Technical Specifications for this project shall consist of the currently effective version of:

- Missouri Standard Specifications for Highway Construction (MSSHC), Sections 201-1092
- Missouri Standard Plans for Highway Construction (MSPHC)
- City of Jefferson Technical Specifications

**Tanner Bridge Road Safety Improvements
Pre-Bid Meeting
Page 4**

- City of Jefferson Standard Drawings

except as modified or contradicted by the County's Contract, Job Special Provisions, General Provisions and Plans.

JOB SPECIAL PROVISIONS

1. The provisions of this section take precedence over any other provisions in the specifications. Please read this section as project specific requirements are detailed.
2. E. Work Zone Traffic Management – All work shall be in accordance with applicable portions of Division 100 and Division 600 of the Standard Specifications.
3. N. Topsoil in Areas to be Seeded or Sodded – The top six (6) inches of all areas of the project to be vegetated shall be free of rocks, stones and clods prior to seeding. This may require the Contractor to utilize a mechanical rock rake, hand picking of stones, and/or placement of six (6) inches of clean topsoil in those areas to be vegetated.
4. Z. Reclaimed Asphalt Shingles (RAS) – This JSP should read “No Reclaimed Asphalt Shingles (RAS) shall be included in any surface mix used on this project.
5. GG. Sanitary Sewer Relocation Payment Item Descriptions – This JSP provides descriptions for the pay items related to the force main sewer relocation.

PLANS

1. Sheet 5 shows the layout of the extra overlay to the south of the bridge project. There may be some field adjustment of the milling to match into the bridge project.
2. Sheets 7 thru 11 show hatching for the existing road to be removed in its entirety.
3. Sheet 7: There is an existing culvert to be replaced with an RCP.
4. Sheet 7: The Laux property will require temporary fencing due to cattle in the fields.
5. Sheet 9: Everything on the Guastadisegni property will need to be constructed within existing right of way.
6. Sheet 16 & 17: Signs for traffic control will be paid for in the bridge project. The county will provide the special detour signs.

MISCELLANEOUS INFORMATION

1. All rock excavation encountered on the force main relocation portion of the project is incidental to the various pay items included for the force main relocation. No additional, or separate payment, will be made for rock excavation.

QUESTIONS AND ANSWERS

Received at pre-bid meeting, by telephone, e-mail, etc. prior to issuing Addendum No. 1

- Q1.** The bridge project requires the prime contractor to perform 30% of the work. What about the safety project?

Pre-Bid Meeting

Page 5

A1. Since this project is to be bid in combination with the bridge project, the county will require the prime contractor to perform 30% of the combined total for both projects.

Q2. What types of pipe can be used for the project?

A2. The 42" pipe at Sta. 18+00 will need to be reinforced concrete pipe. Driveway pipes will need to be galvanized corrugated metal pipe.

Q3. Are the utilities cleared?

A3. The utilities will be moved with this project. The electric company will need an extra 30' outside the right of way cleared to facilitate moving the electric line. This will need to be figured into the pay item "Removal of Improvements".

Q4. Is there a pay item for temporary surfacing for driveways?

A4. A revised bid sheet and pay items showing this will be included in the addendum.

ADDENDUM NO. 1

**TANNER BRIDGE ROAD BRIDGE REPLACEMENT
FEDERAL PROJECT NO. BRO-R026(025)
PROJECT NO. 2023-802-1**

**COLE COUNTY DEPARTMENT OF PUBLIC WORKS
November 18, 2025**

JOB SPECIAL PROVISIONS CHANGES

The Bidder shall make following changes to the Job Special Provisions:

JSP W. Reclaimed Asphalt Shingles (RAS)

REPLACE Paragraph 1.0 with the following:

1.0. Description. Reclaimed asphalt shingles will be allowed per MoDOT Specifications with the following exception:

No Reclaimed Asphalt Shingles (RAS) shall be included in any surface mixture used on this project.

JSP GG. Construction Requirements

REPLACE Paragraph 2.0 with the follow:

2.0 Construction Requirements. The plans and the asbestos and lead inspection report for the existing structure and the geotechnical report for the new structure are included in the contract for informational purposes only. Asbestos and lead inspection reports indicated an existing joint filler at south end bent's wing walls and top of backwall as Category I Non-Friable ACM. An estimated amount of ACM to be removed is 28.00 square foot. No separate payment will be made for asbestos removal, and shall be considered incidental to other items included in the contract.

END OF JOB SPECIAL PROVISIONS CHANGES

DOCUMENTS ATTACHED FOR REFERENCE

**Federal Wage Rates for Heavy and Highway Construction Projects
Minutes from Pre-Bid Meeting held November 13, 2025.**

END OF ADDENDUM NO. 1

FEDERAL WAGE RATES FOR HEAVY
AND HIGHWAY CONSTRUCTION
PROJECTS

Superseded General Decision Number: MO20240001

State: Missouri

Construction Types: Heavy and Highway

Counties: Missouri Statewide.

HEAVY AND HIGHWAY CONSTRUCTION PROJECTS

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

| | |
|---|---|
| If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022: | . Executive Order 14026 generally applies to the contract. . The contractor must pay all covered workers at least \$17.75 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2025. |
| If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022: | . Executive Order 13658 generally applies to the contract. . The contractor must pay all covered workers at least \$13.30 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2025. |

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <http://www.dol.gov/whd/govcontracts>.

spreader; asphalt plant operator; auto grader or trimmer or
sub-grader; backhoe; blade operator (all types); boilers -
2; booster pump on dredge; bulldozer operator; boring
machine (truck or crane mounted); clamshell operator;
concrete mixer paver; concrete plant operator; concrete
pump operator; crane operator; derrick or derrick trucks;
ditching machine; dragline operator; dredge engineman;
dredge operator; drill cat with compressor mounted
(self-contained) or similar type self-propelled rotary
drill (not air tract); drilling or boring machine
(rotary-self-propelled); finishing machine operator;
greaser; high loader-fork lift-skid loader (all types);
hoisting engineer (2 active drums); locomotive operator
(standard gauge); mechanics and welders (field and plants);

mucking machine operator; pile drive operator; pitman crane or boom truck (all types); push cat; quad track; scraper operators (all types); shovel operator; sideboom cats; side discharge spreader; skimmer scoop operators; slip form paver operator (CMI, Rex, Gomeco or equal); la tourneau roter (all tiller types); tow boat operator; truck crane; wood and log chippers (all types).

GROUP 2: A-frame truck operator; articulated dump truck; back filler operator; boilers (1); chip spreader; churn drill operator; compressor; concrete mixer operator, skip loader; concrete saws (self-propelled); conveyor operator; crusher operator; distributor operator; elevating grader operator; farm tractor (all attachments); fireman rig; float operator; form grade operator; hoisting engine (one drum); maintenance operator; multiple compactor; pavement breaker, self-propelled hydra-hammer (or similar type); paymill operator; power shield; pumps; roller operator (with or without blades); screening and washing plant; self-propelled street broom or sweeper; siphons and jets; straw blower; stump cutting machine; siphons and jets; tank car heater operator (combination boiler and booster); welding machine; vibrating machine operator (not hand held); welding machine.

GROUP 3: (a) Oiler;
 (b) Oiler driver
 (c) Mechanic.

HOURLY PREMIUMS:

THE FOLLOWING CLASSIFICATIONS SHALL RECEIVE (\$.25) ABOVE GROUP 1 RATE: Dragline operator - 3 yds. & over; shovel 3 yds. & over; clamshell 3 yds. & over; Crane, rigs or piledrivers, 100' of boom or over (incl. jib.), hoist - each additional active drum over 2 drums

THE FOLLOWING CLASSIFICATIONS SHALL RECEIVE (\$.50) ABOVE GROUP 1 RATE: Tandem scoop operator; crane, rigs or piledrivers 150' to 200' of boom (incl. jib.)

THE FOLLOWING CLASSIFICATIONS SHALL RECEIVE (\$.75) ABOVE GROUP 1 RATE: Crane rigs, or piledrivers 200 ft. of boom or over (including jib.)

POWER EQUIPMENT OPERATORS CLASSIFICATIONS

GROUP 1: Asphalt finishing machine & trench widening spreader, asphalt plant console operator; autograder; automatic slipform paver; back hoe; blade operator - all types; boat operator tow; boiler two; central mix concrete plant operator; clam shell operator; concrete mixer paver; crane operator; derrick or derrick trucks; ditching machine; dozer operator; dragline operator; dredge booster pump; dredge engineman; dredge operator; drill cat with compressor mounted on cat; drilling or boring machine rotary self-propelled; highloader; hoisting engine 2 active drums; launchhammer wheel; locomotive operator standrad guage; mechanics and welders; mucking machine; piledriver operator; pitman crane operator; push cat operator; guad-trac; scoop operator; sideboom cats; skimmer scoop operator; trenching machine operator; truck crane, shovel operator.

GROUP 2: A-Frame; asphalt hot-mix silo; asphalt roller operator asphalt plant fireman (drum or boiler); asphalt plant man; asphalt plant mixer operator; backfiller operator; barber-greene loader; boat operator (bridge & dams); chip spreader; concrete mixer operator skip loader; concrete plant operator; concrete pump operator; dredge oiler; elevating graded operator; fork lift; grease fleet; hoisting engine one; locomotive operator narrow guage; multiple compactor; pavement breaker; powerbroom self-propelled; power shield; rooter; slip-form finishing machine; stumpcutter machine; side discharge concrete spreader; throttleman; tractor operator (over 50 hp); winch truck; asphalt roller operator; crusher operator.

GROUP 3: Spreader box operator, self-propelled not asphalt; tractor operator (50 h.p. or less); boilers one; chip spreader (front man); churn drill operator; compressor over 105 CFM 2-3 pumps 4" & over; 2-3 light plant 7.5 KWA or any combination thereof; clef plane operator; compressor maintenance operator 2 or 3; concrete saw operator (self-propelled); curb finishing mancine; distributor operator; finishing machine operator; flex plane operator; float operator; form grader operator; pugmill operator; riller operator other than high type asphalt; screening & washing plant operator; siphons & jets; subgrading machine operator; tank car heater (combination boiler & booster); ulmac, ulric or similar spreader; vibrating machine operator; hydrobroom.

GROUP 4: Oiler; grout machine; oiler driver; compressor over 105 CFM one; conveyor operator one; maintenance operator; pump 4" & over one.

FOOTNOTE: HOURLY PREMIUMS

- Backhoe hydraulic, 2 cu. yds. or under Without oiler - \$2.00
- Certified Crane Operator - \$1.50;
- Certified Hazardous Material Operator \$1.50;
- Crane, climbing (such as Linden) - \$0.50;
- Crane, pile driving and extracting - \$0.50;
- Crane, with boom (including jib) over 100' from pin to pin add \$0.01 per foot to maximum of \$4.00;

Crane, using rock socket tool - \$0.50;
 Derrick, diesel, gas or electric, hoisting material and erecting steel (150' or more above the ground) - \$0.50;
 Dragline, 7 cu. yds, and over - \$0.50;
 Hoist, three or more drums in use - \$0.50; Scoop, Tandem - \$0.50;
 Shovel, power - 7 cu. yds. or more - \$0.50;
 Tractor, tandem crawler - \$0.50;
 Tunnel, man assigned to work in tunnel or tunnel shaft - \$0.50;
 Wrecking, when machine is working on second floor or higher - \$0.50;

d. PAID VACATION: 3 days paid vacation for 600 hours of service in any one contract year; 4 days paid vacation for 800 hours of service in any one contract year; 5 days paid vacation for 1,000 hours of service in any one contract year. When such an employee has completed 3 years of continuous employment with the same employer and then works the above required number of hours, he shall receive double the number of days of vacation specified above. When such an employee has completed 10 years of continuous employment with the same employer and then works the above required number of hours, he shall receive triple the number of days of vacation specified above. When such an employee has completed 15 years of continuous employment with the same employer and then works the above required number of hours, he shall receive 4 times the number of days of vacation specified above.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

=====

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at

<https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union

prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested

party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.

=====

END OF GENERAL DECISION"

Minutes from Pre-Bid Meeting held
November 13, 2025

**Cole County
Tanner Bridge Road Bridge Replacement**

**Federal Project No. BRO-R026(025)
Cole County Project No. 2023-802-1**

**Pre-Bid Meeting
November 13, 2025**

The meeting was held at Cole County Fire Protection District beginning at 9:00 AM. Those attending the meeting are listed below:

| <u>Name</u> | <u>Representing</u> | <u>Phone</u> |
|-----------------|---------------------------|--------------|
| Matt Prenger | CCPW | 573-636-3614 |
| Adam Carroll | E&C Bridge, LLC | 573-619-2497 |
| Ted Neuner | Three Rivers Electric | 573-536-1125 |
| Scott Schulte | Three Rivers Electric | 573-644-9000 |
| Don Rhea | Don Schnieders Excavating | 573-893-2251 |
| Owen Kloepfel | CCPW | 573-636-3614 |
| Marty Masters | MMLC | 573-680-6954 |
| Eric Landwehr | CCPW | 573-636-3614 |
| Robby Miles | Bartlett & West | 618-447-4656 |
| Gene Haile | Gene Haile Excavating | 573-796-3513 |
| Ryan Muenks | Mera Excavating, LLC | 573-645-0752 |
| Kyle Landwehr | Bartlett & West | 573-659-6727 |
| Trent Snodgrass | Ameren Gas | 573-418-5308 |
| Spencer Coonce | CCPW | 573-636-3614 |
| Quintin Matheis | Jefferson Asphalt | 573-418-9997 |

GENERAL BIDDING INFORMATION

1. Sealed proposals on the forms prepared by Cole County will be received by the County Commission, Cole County, Missouri, at the Courthouse Annex, Room 200, 311 East High Street, Jefferson City, Missouri, until **9:00 a.m., on Friday, November 21, 2025**, for the **Tanner Bridge Road Bridge Replacement**. The proposals will be publicly opened and read aloud thereafter. Bids received after the specified time for opening will be returned unopened.
2. Prior to the time and date designated for the receipt of bids, bids may be modified or withdrawn only by notice to the County Commission at the place and prior to the time designated for receipt of bids. No bids shall be withdrawn for a period of 90 calendar days after the scheduled closing time for receipt of bids.
3. Plans and specifications may be viewed and downloaded online in the bids section at www.colecounty.org. A hard copy of the plans and specifications will not be provided unless requested in advance.
4. **All Contractors wishing to bid on this project shall submit the plan holder contact information form found in the bid manual to ccpwprojects@colecounty.org prior to**

Tanner Bridge Road Bridge Replacement
Pre-Bid Meeting
Page 2

the bid opening. A bid received from a Contractor that has not submitted this form will not be opened and therefore not read. It will be returned to the Contractor.

5. All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 from the current version of the Missouri Standard Specifications for Highway Construction, including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.
6. This project is being let in **required combination** with Tanner Bridge Road Safety Improvements, Cole County Project No. 2023-602-1. In order to be considered for award, Contractors **MUST** submit a bid for both projects. See JSP "Required Combination of Projects" in the contract documents.
7. A bid bond will be required in the amount of 5% of the bid. No personal checks will be accepted.
8. A one-year Performance and Payment Bond is required.
9. Questions regarding the plans and specifications will be taken up to 24 hours prior to the date and time of the bid opening. This will allow the County to get the information out to all of the bidders. General questions regarding the bidding process will be answered up to the time of the opening.
10. Addenda may be issued on this project at any time up to 24 hours prior to the bid date and time. It shall be the responsibility of the contractor to verify if any addenda have been issued prior to submitting their bid. The County assumes no liability if a contractor fails to incorporate addenda into their bid. **Addenda will be posted on the Cole County website and will NOT be faxed.**
11. Prevailing wage rates are required on this project. The wage rates for Cole County and the Federal Wage Rates are included in the specifications.
12. The right is reserved by Cole County to reject any and all bids and to waive informalities therein.
13. Bids shall be submitted on the Proposal Form furnished by the County. All blank spaces shall be filled in on the forms by typewriter or by handwriting in ink. The bidder shall make no other stipulations in the bid form or qualify his bid in any manner. The bids shall be submitted in an opaque sealed envelope marked "**Tanner Bridge Road Bridge Replacement – Project No. 2023-802-1, Construction Bid**" and shall be clearly marked with the bid date, bid time and bidder's name and address.
14. The County will accept computer generated spreadsheets for the unit price items to help alleviate problems with computation mistakes. If a spreadsheet is used, it shall be in the same format as the one included in the proposal. The sheet shall be inserted in front of the one included in the proposal form.
15. The Notice to Proceed date is anticipated to be January 19, 2026. If awarded the contract, the Contractor agrees to complete the work by **November 1, 2026.**

16. **Liquidated damages** shall be **\$2,550.00** per calendar day for every day that the Contractor fails to complete the work as provided in the contract documents.
17. Simultaneously with the delivery of the executed contract, the Contractor shall furnish a surety bond in the amount of 100% of the total contract sum, as security for both faithful performance of the contract and for the payment of all persons performing labor on the project under this contract as specified in the contract documents.
18. Do NOT include federal excise tax or sales and use taxes in the bid prices. This project will be a SALES TAX EXEPMT project. A copy of the federal tax exemption certificate will be furnished.

GENERAL PROJECT INFORMATION

1. The Contractor is highly advised to visit the project location to observe existing site conditions.
2. The Contractor shall provide a work schedule and traffic control plan prior to beginning work.
3. OSHA safety training requirements apply. The Contractor shall provide documentation that each employee has completed the training program and each employee that has not must do so within 60 days of beginning work on the project.
4. Excessive unemployment law is in effect.
5. Pipe bid items are for furnishing and installing. The County will not furnish the pipe.
6. The County will be providing the inspection for the construction.
7. The Contractor will be required to use extreme care to not disturb the property corner pins designated as "not to be disturbed". If they are disturbed, the County will require them to be replaced at no expense to the County.
8. The project is to be constructed to the lines and grades as shown on the plans and specifications. All of the excavations are unclassified and it will be the Contractor's responsibility to ensure the grades are obtained.
9. **Change Orders** – If there is any item that the Contractor thinks additional pay is warranted, a change order request will have to be submitted and approved by the Director or County Engineer prior to commencing any of the additional work. **This includes an overrun on quantities.** Any extra work done without approval WILL NOT be paid unless you have a really good reason.

UTILITIES

All utility companies that are in the area are listed on the plans

TECHNICAL SPECIFICATIONS AND STANDARD PLANS

The Technical Specifications for this project shall consist of the currently effective version of:

Tanner Bridge Road Bridge Replacement
Pre-Bid Meeting
Page 4

- Missouri Standard Specifications for Highway Construction (MSSHC), Sections 201-1092
- Missouri Standard Plans for Highway Construction (MSPHC)
- City of Jefferson Technical Specifications
- City of Jefferson Standard Drawings

except as modified or contradicted by the County's Contract, Job Special Provisions, General Provisions and Plans.

JOB SPECIAL PROVISIONS

The provisions of this section take precedence over any other provisions in the specifications. Please read this section as project specific requirements are detailed.

1. C. Work Zone Traffic Management – All work shall be in accordance with applicable portions of Division 100 and Division 600 of the Standard Specifications.
2. G. LPA Buy America Requirements – On all federal-aid projects, the contractor's attention is directed to Title 23 CFR 635.410 Buy America Requirements and the Bipartisan Infrastructure Law (2021) Build America, Buy America Act Publication L. No. 117-58 regarding Buy America provisions on the procurement of foreign products and materials.
3. L. Topsoil in Areas to be Seeded or Sodded – The top six (6) inches of all areas of the project to be vegetated shall be free of rocks, stones and clods prior to seeding. This may require the Contractor to utilize a mechanical rock rake, hand picking of stones, and/or placement of six (6) inches of clean topsoil in those areas to be vegetated.
4. N. Permits – The contractor shall provide proper notification to all appropriate agencies prior to demolition of the bridge. There is a USACE nationwide permit for this project. A MoDOT permit will be obtained once the project is awarded.
5. EE. Stream Gauging Station – There is a stream gauging station located on the existing bridge. The contractor shall notify the Central Midwest Water Science Center a minimum of 3 weeks prior to beginning work on the project.
6. HH. Acceptance of Precast Concrete Members and Panels – Shop drawings shall be submitted for review and approval to the engineer of record for the local public agency (LPA).

PLANS

1. Sheet 2, earthwork is bid as a lump sum and quantities are listed for informational purposes only. The cut quantity listed does not include any excavation below the proposed aggregate base. The fill quantity listed was calculated from the top of the existing pavement to the bottom of the proposed aggregate base. The quantities listed do not include any shrink/swell adjustment factors.
2. Sheet 2, Note G: The contractor shall achieve a stabilized subgrade prior to construction of the roadway. The condition of the existing material and method of achieving a stable base will not be grounds for additional payment.
3. Sheet 2, Note P: Existing asphalt pavement shall be removed in its entirety throughout the project limits. There will be no direct payment for the asphalt pavement removal.

Tanner Bridge Road Bridge Replacement
Pre-Bid Meeting
Page 5

4. Sheet 2, Note R: Excavation for roadway, Type 2 Rock Blankets and grading purposes shall be included in the bid item price for "Earthwork". End bent excavation to be included in the bridge pay items.
5. Sheet 2, Note V: Tree clearing shall be performed between November 1st and March 31st.
6. Sheet 2, Note W: Construction staking shall be performed by the contractor.

MISCELLANEOUS INFORMATION

1. The Federal Wage Rates included in the Bid Book are for building construction. This will need to be replaced with Federal Wage Rates for Heavy and Highway Construction. See Addendum No. 1.

QUESTIONS AND ANSWERS

Received at pre-bid meeting, by telephone, e-mail, etc. prior to issuing Addendum No. 1.

Q1. What if we run into unsuitable material for the subgrade?

A1. See Page 2, Note G on the plan sheets. The contractor shall achieve a stabilized subgrade prior to construction of the roadway. There will be no additional pay for this.

Q2. Is there a pay item for asbestos removal?

A2. No. This will be included in other pay items. See Addendum No. 1 for additional language to JSP GG.

Q3. Who is doing the QC testing for this project?

A3. The county or their representative will provide QC testing for this project.
