

ADDENDUM # 1

Montgomery County Bridge Replacement
BRO-R070(18)
Bridge #0600001 1
2/23/2026

Add the following Job Special Provision (JSP):

P. **TREE REMOVAL**

Note that no tree removal will be allowed after March 31, 2026. The Montgomery County Road and Bridge Department will cut down all trees located within the project limits prior to March 31, 2026. Any significantly large trees not deemed necessary for removal for construction of the project will be left in place. Montgomery County will consult with the low bidder on the project in order to verify which trees can or cannot be left in place to successfully construct the project. Downed trees will be left on-site to be removed and grubbed by the awarded Contractor under bid item 201-99.01 Clearing and Grubbing.

Please acknowledge receipt of Addendum #1 in your bid.
