

U.S. Route 60 Bridge Rehabilitation over Webster County Route PP

Webster County, Fordland

PROJECT FACTS

- Rehabilitate eastbound and westbound U.S. Route 60 bridges over Webster County Route PP, BNSF Railroad and Front Street in Fordland

TRAFFIC IMPACTS

- One lane in each direction OPEN at all times during construction
- Only one bridge closed at a time
- Route PP reduced to one lane under U.S. Route 60 with traffic controlled by temporary signals
- Front Street CLOSED under the U.S. Route 60 bridges for duration of project
- Route Z drivers wishing to access westbound U.S. Route 60 will be directed along signed detour using Route A interchange at Diggins
- Drivers urged to find alternate routes
- Crew and equipment close to traffic

BRIDGE FACTS

- U.S. Route 60 bridge was built in 1971
- U.S. Route 60 carries 8,495 vehicles a day

CONSTRUCTION

- Construction Date: Spring 2027
- Completion Date: December 1, 2028
- Estimated Total Construction Cost: \$8.1 million
