**PRICE LANE MILL & OVERLAY**

**Addendum No. 01**

**Clarification Items:**

Item #1: Original plan set included incorrect pavement type on the Typical Section (BP-2). This addendum revises it to match the Bid Proposal.

**Proposal Items:**

No Quantity or Bid Item changes. The plan changes within this Addendum 01 do not significantly alter the quantity of Bid Items 9 or 14.

**Plan Sheets: (Revision notes are on plan sheets)**

A full new plan set is provided with changes to sidewalk in southwest quadrant of the intersection of Price Lane and Sedalia Avenue. Changes can be found within the plan set.

The pavement on the Typical Section Sheet has been revised to match bid item 13 (2-Inch PG64-22 SP125C). Previous plan set incorrectly indicated a BP-2 pavement as the overlay.

**Job Special Provisions:**

No changes to JSPs.

**Outstanding Easements:**
