

# ROUTE T BRIDGE DECK REPLACEMENT OVER LOOSE CREEK IN OSAGE COUNTY

## PROJECT OVERVIEW

### Planned Improvements

Built in 1964, the supporting structures are in good condition, but the driving surface (deck) has deteriorated and needs to be replaced.

Planned improvements include:

- New bridge deck - the same width as the existing structure.
- New barriers.
- New approach pavement.

### Estimated Cost

- \$635,000 including engineering, and construction costs.

### Current Project Timeline

**December 2026:** Contractors may submit competitive bids.

**January 2027:** The Missouri Highways and Transportation Commission may award contract for work.

**February 2027:** If awarded, the earliest the contractor may begin work.

**End of 2027:** Anticipated completion of project.
