

PROPOSED DETOUR when all ramps are open

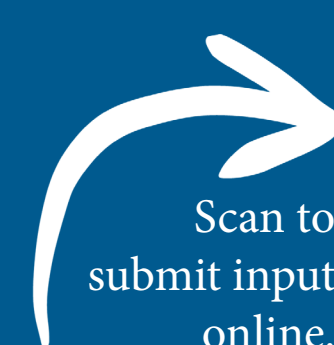

Eastbound Route F: 4.5 miles*

Westbound Route F: 4 miles*

*from one end of the bridge to the other end.

PROPOSED TRAFFIC IMPACTS

- Four-month bridge closure during construction.
- Short-term ramp closures are expected - two weeks for both eastbound ramps and two weeks for both westbound ramps. Each direction will close at different times.
- A signed detour will direct motorists around the closure.
