

Northbound U.S. Route 65 to Westbound I-44 Flyover Ramp Rehab *In Springfield*

PROJECT FACTS

- Rehabilitate the Northbound U.S. Route 65 to Westbound I-44 Flyover Ramp in Springfield to help maximize the bridge's lifespan

TRAFFIC IMPACTS

- Northbound U.S. Route 65 to Westbound I-44 flyover ramp will remain open during most of construction
- Driving traffic can expect traffic shifts with reduced lane/shoulder widths and shoulder closures
- Short-term ramp Closures to install new expansion joints
 - Signed detour during short-term Closure: Valley Water Mill Road
- Temporary shoulder closures and reduced lane widths on US-65, I-44, westbound I-44-to-southbound Route 65, and eastbound I-44-to-northbound Route 65 ramps

BRIDGE FACTS

- Bridge built in 2006
- Bridge carried 12,500 vehicles a day

CONSTRUCTION

- Construction Start Date: March 2027
- Project Completion Date: December 2027
- Estimated Total Cost: \$3.5 million
