DOVE ROAD BRIDGE REHABILITION OVER I-44 IN LACLEDE COUNTY

PROJECT OVERVIEW

Planned Improvements

Built in 1978, the supporting structures are in good condition, but some improvements to the bridge deck (driving surface) are needed to extended the life of the bridge.

Planned improvements include:

- Repairing a bridge joint.
- Repairing the deck.
- Applying a thin overlay of concrete on the deck.

Estimated Cost

- $602,000 including engineering, and construction costs.

Current Project Timeline

- **February 2027:** Contractors may submit competitive bids.
- **March 2027:** The Missouri Highways and Transportation Commission may award a contract for work.
- **April 2027:** If awarded, the earliest the contractor may begin work.
- **End of 2027:** Anticipated completion of project.
