

PROPOSED TRAFFIC IMPACTS

- Road closed at bridge during construction.
- The closure is anticipated to last two months.
- A signed detour will direct eastbound motorists to use eastbound I-44 to the Laclede County Routes A/C interchange at Exit 118 to access westbound I-44 and for westbound motorists to use westbound I-44 to the Sparkle Brook Road/Sampson Road interchange at Exit 107 to access eastbound I-44.
