HOW DO I GET WHERE I'M GOING WHILE EB I-64 IS CLOSED?

5

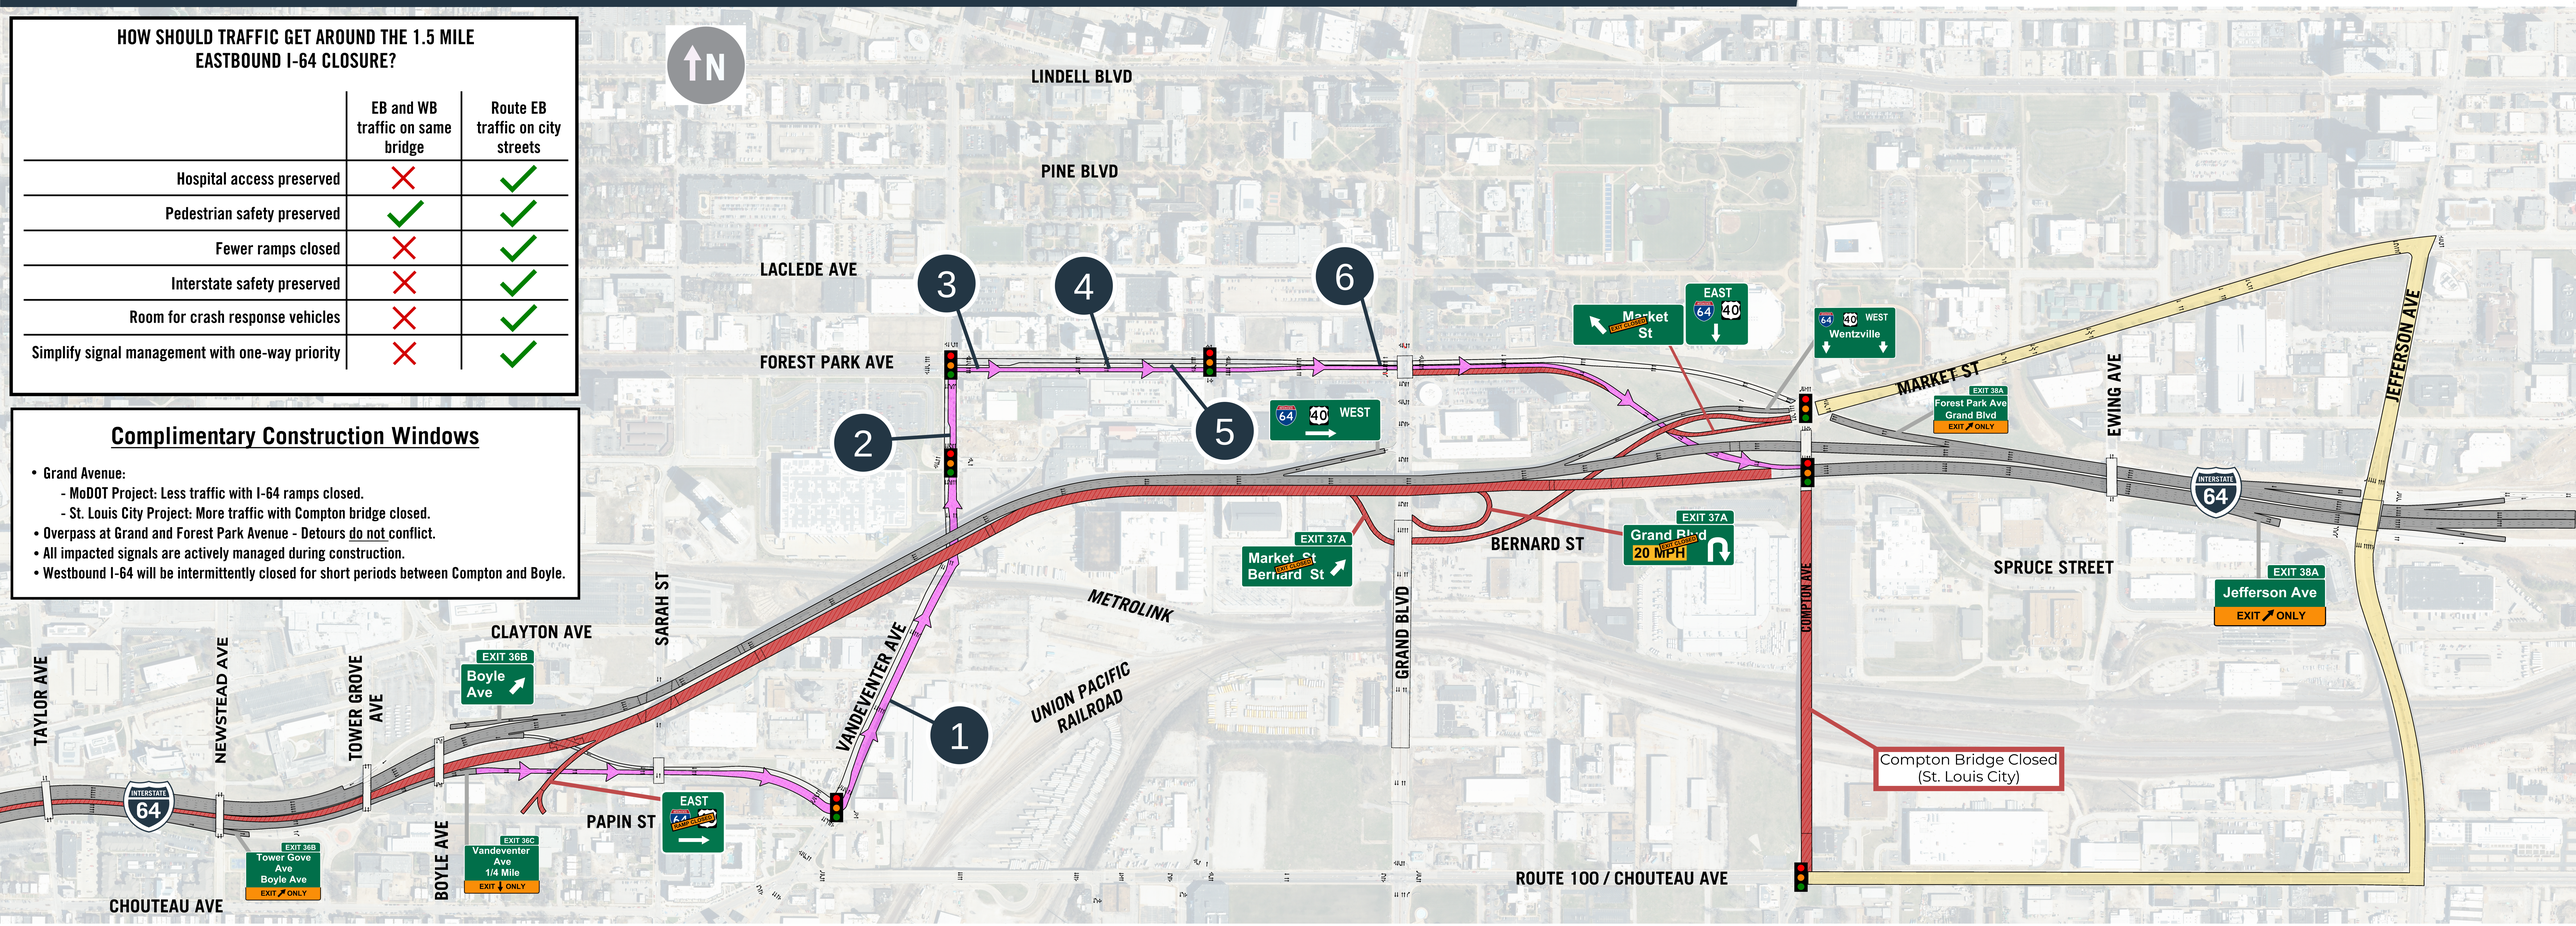

MoDOT

HOW SHOULD TRAFFIC GET AROUND THE 1.5 MILE EASTBOUND I-64 CLOSURE?

	EB and WB traffic on same bridge	Route EB traffic on city streets
Hospital access preserved	✗	✓
Pedestrian safety preserved	✓	✓
Fewer ramps closed	✗	✓
Interstate safety preserved	✗	✓
Room for crash response vehicles	✗	✓
Simplify signal management with one-way priority	✗	✓

Complimentary Construction Windows

- Grand Avenue:
  - MoDOT Project: Less traffic with I-64 ramps closed.
  - St. Louis City Project: More traffic with Compton bridge closed.
- Overpass at Grand and Forest Park Avenue - Detours do not conflict.
- All impacted signals are actively managed during construction.
- Westbound I-64 will be intermittently closed for short periods between Compton and Boyle.

Eastbound I-64 detour | Road closed to traffic | Open to traffic | STL City Compton bridge closure detour
