PEDESTRIAN AND BICYCLE ROUTES DURING CONSTRUCTION

MoDOT

Leading Pedestrian Intervals (LPI) will give pedestrians extra walk time ahead of green lights for vehicles.

- Existing bike lanes
- Existing shared lanes
- Existing greenway/trail
- Proposed trail built with this project
- Bike closure during construction
- Unmarked bike crossing in intersection
- MetroLink Station

Bike Detour 1
Vandeventer Ave. Closure

Bike Detour 2
Clayton Ave. Closure

Bike Detour 3
Spruce St. Closure

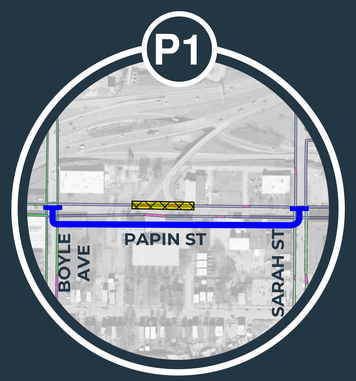

Bike Detour 4
Market St. Closure
