RE: Addendum 1 – 27-108 – Barkwood Trails Drive Reconstruction, Federal Project No. STBG-7305(622)

To all Contract Bidders of Record,

This Addendum, consisting of two (2) pages, is issued to answer questions received, modify, explain, or correct the original contract documents as noted below, and is hereby made a part of the contract documents.

1. Who is responsible for performing and paying for the materials testing on the project?
    - The City of St. Peters has an agreement with Terracon to perform the materials testing, and the City will be responsible for the payment of the material testing.
2. How wide is the curb and gutter? The standards are 30".
    - There is no separate curb and gutter. The curb is integral to the pavement.

Special Instructions Update:

- Seven (7) days before bid opening (November 13, 2026), Contractor Questionnaire must be on file with Missouri Highway & Transportation Commission
- Second-tier subcontracting not permitted
- Required to be MoDOT Approved contractor prior to acceptance
- A DBE goal of zero percent (0%) has been established for this project
- This project has no OJT goal.
- Label the lower left corner of your sealed submittal package with the bid number and name
- Submit one original and one copy of your bid proposal
- Include completed Sections C, D, O, S with E- Verify MOU, X, Z & BB
- Include DBE Submittal Form (Revised Section W) with your submittal or by 4:00 p.m. three (3) business days after the bid opening.

Thank you,
City of St. Peters
