STATEWIDE PERSPECTIVE

Note: This was the first action taken at the first meeting of the State Highway Commission on December 6, 1921.

WHEREAS, the Missouri highways are of state concern,

THEREFORE BE IT RESOLVED, that notwithstanding each member of this Commission comes from a different section of the state, it is the declared intention of this Commission to view the road program as a whole, and each member hereby pledges to the people throughout the state to conduct the program broadly and, so nearly as possible, with a vision of the needs of the state as a whole.
